

San Joaquin County Office of Education  
2009-10 Annual Report

Thank you for all of the generous contributions made to San Joaquin County Office of Education Educational Foundation, which supports student academics, Newspapers in Education, and other valuable student programs such as Mock Trial, Outdoor Education, and Science Fair. The Foundation's support would not be possible without the donations made by the community. Sponsors mentioned below reflect donations of \$250 and above from 2008-09. To find out how you can support the Foundation and education in San Joaquin County, call 468.9067.
