San Joaquin County School Boards Association

August 7, 2019

Dear Trustees,

In years past San Joaquin County had an association of school board members from throughout the county that would meet on a regular basis to discuss issues, network, and receive training. This association was a county unit of the California School Boards Association (CSBA), as long as local boards remained members of CSBA.

As your CSBA Regional Director, and a member of the Lammersville Unified School District Board of Education, I would like to bring this association back in an effort to network, discuss local issues and receive information and training on issues throughout the state. With the creation of CSBA's new Public Affairs and Community Engagement Representative (PACER) Program this association will now have a conduit to the state capitol in regards to legislation. This creates on opportunity for true grassroots advocacy, which is one of CSBA's initiatives.

With the help of County Superintendent Mousalimas and our CSBA PACER, Steve Reid, we are holding a kick off meeting on **Monday, September 9, 2019 at 6:00 PM**. At this meeting we will receive an update on current education focused legislation, discuss creation of bylaws, officer election and future meeting dates and times. The meeting will be held at the Locke Auditorium, Nelson Administration Center, **2922 Transworld Drive, Stockton, CA 95206.**

All Trustees in San Joaquin County are welcome. We would like, at a minimum, to have one trustee from each school district from the county in attendance.

If you have any questions please feel free to email me at mbalzarini@csba.org, or Superintendent Mousalimas at jmousalimas@sjcoe.net. I hope to see you on **Monday, September 9, 2019**.

Matthew D. Balzarini
Interim President
San Joaquin County School Boards Association

Director, Region 8
California School Boards Association
