INFORMATION SHEET 5/9/2017 TRUSTEES' MEETING

ATTACHMENT: 4.6

TO: Jim Bridges, Superintendent

FOR: Board of Trustees

FROM: Mindy Maxedon, CBO

ISSUE: Connection Classroom of Technology

Connection Public Section Solutions has awarded our district a Classroom of Technology. Information regarding this award is attached.

If this award and donation of equipment to our district is approved, these technology items will be delivered to the District Office and will be used in a classroom (to be determined).

May 1, 2017

Mindy Maxedon
Chief Business Officer
Jefferson School District
1219 Whispering Wind Drive
Tracy, CA 95377

Dear Ms. Maxedon,

Congratulations! We are happy to inform you that Jefferson School District has been awarded a Classroom of Technology!

Connection's Public Sector Solutions Field Team was asked by our partners, Lenovo, Microsoft and Intel, to provide a compelling nomination for a K-12 school that is deserving of a Classroom of Technology. A deserving school is defined as not only a school in need, but one that has future goals of moving towards a 1:1 solution for students.

All nominations were reviewed by the three sponsoring parties and Jefferson School District was chosen as the recipient of this Classroom of Technology.

This Classroom of Technology package includes:

- (20) Lenovo N23 Celeron N3060
- (1) Lenovo ThinkPad Yoga 260
- Microsoft in the Classroom Professional Development
  (Single Day – 2 Sessions – Each 120 Minutes)

Please confirm as soon as possible that Jefferson School District will be accepting this technology package. Employees of public schools, educational institutions and libraries should verify that acceptance of these items is not a violation of their employment rules.

To start the process of receiving the Classroom of Technology package, we need the following information below submitted to my colleague, Lorna Murphy at lorna.murphy@connection.com by Wednesday, May 10th if possible.

- A copy of Jefferson School District's W-9 (due to the value of the products, we need this form for tax purposes)
- Correct address for shipment of the products
- Confirmation of who should these products be shipped to within Jefferson School District
- Do you need assistance with installation/set up?

Once we receive this information we can start the shipping process. We anticipate being able to place the order for the products within 48hrs of receiving the address and W-9. We will be able to provide information to you on shipping/delivery dates once the order is placed.

On behalf of Connection Public Sector Solutions and our partners Lenovo, Microsoft and Intel, CONGRATULATIONS! We are happy to help Jefferson School District make this next school year a productive one!

Sincerely/Yours truly.
