MEASURE J SCHOOL BOND UPDATE

JEFFFERSON SCHOOL WILL BE COMPLETED NOVEMBER 30, 2015

Jefferson Facade

RGM Associates, the contractor, is putting the finishing touches on the new Jefferson Campus. The new well was completed in July and that was the last major hurdle for the school to open on January 5, 2016. Teachers and staff will begin moving in early December and all of the new furniture will be installed by winter break. Principal Wooten will be taking each of the classes for a tour of the new facility on December 17th and 18th. Students will get an opportunity to see their classrooms and learn about the new school processes and procedures.

Jefferson will hold its Open House on January 20 to allow parents to get on campus and see the new school. The school district will hold a rededication ceremony for students, parents, staff, alumni, and the community on January 22, 2016 at 10:00 am. There will be a short ceremony followed by tours of the campus.

TRAINA GYM RAISES THE ROOF

Progress on the Traina gym is moving along on schedule. Over the last few weeks of October the roof system was installed and the interior finish work is in progress. With the weather changing the construction team is shifting its focus to the outside of the building and will be installing the walkways and stairs over the next few weeks. With some delays in construction the facility is slated to open February 2016.

Subject: RE: Insert Request TRA

Hi Grace,

Sorry for delay. I opened your e-mail but must not have flagged it for action.

Your cost per insert would be $0.26 each at this volume plus an insertion fee of $0.01 each.

IT will assess the list you provide of street names and determine if we can use it and how long the process will take. Programming fees are billed at $175/hour. They will give me an hourly estimate which I will pass along to you for sign off prior to production beginning.

If you would like to move forward with this let me know and I can get you official quotes.

Thanks!

Thank you,

$.27 x 3194 = $862.38
or $.01 x 3194 = $31.94
} plus programming fee

Hi Jennifer,

Did you receive my e-mail dated September 2? I'm not sure when I could expect to hear back with an approximate cost for this.

Thank you for your assistance,

Grace
