Principal’s Corner

By Christina Orsi

This week, our school took a moment to honor one of our home town heroes – our traffic guard, Roy Wilson. Roy joined us for our unity assembly and the kids showed him tokens of appreciation. It takes a village to keep students safe and Roy is certainly a critical part of the Hawkins village. Second grader Brea Hart held up her “Stop and say thank you to Mr. Wilson” sign at the assembly. School will resume on Monday, April 29.

From there, we only have 22 days left of school! Our 3rd-8th grade students will begin CAASPP testing on Tuesday, April 30. Students will be receiving a special snack each day during the testing window. Snacks will be nut and gelatin free. It is particularly important during the testing window that students get adequate sleep and eat breakfast. These two items will help with their focus. The testing will take place from 8:15-10:00am daily, so please make sure students are in attendance at that time so their do not miss their testing session. We utilize CAASPP data to place students in classes, qualify them for special programs, such as GATE and Advanced Math, and to reclassify our English Learners. It is therefore, important that students do their very best on this assessment to show what they know. Over the past several weeks, students and teachers have been working diligently to prepare for the test by completing their grade level curriculum, taking practice tests, and working to build focus and stamina. I am proud of our team’s hard work and I know our students are well prepared!

Upcoming Events

- Apr 20 – 8th Grade Parent Work Day
- Apr 29 – School Resumes
- Apr 30 – [CAASPP Testing Window Begins](#)
- Apr 30 – Chipotle Dinner Night Out
- Apr 30-May 2 – 2nd Grade GATE Testing
- May 1 – Graduation Sub Committee Meeting
- May 2 - Jump Rope for Heart
- May 3 – 1st Grade Zoo to You Presentation
- May 3 – TK-5th Grade Fun Friday
- May 7 – [HPFC Board Elections](#)
- May 6-10 – Teacher Appreciation Week
- [Link to Staff Favorite Things](#)
- May 10 – Moms and Muffins
- May 13-17 – 8th Grade Exit Interviews
- May 16 – 8th Grade Honors Night
- May 17 – Ice Cream Social
- May 17 – 6th-8th Grade Dance

- May 27 – No School - Memorial Day
- May 28 – 6th Grade Greek Olympics
- May 29 – Last Day of School/Graduation

Change to Fun
May 3rd Friday
Times:

3:00-4:00PM

Lunch Charging Reminder

Starting on Monday, April 29, paid students will no longer be allowed to charge their meals in the cafeteria if they do not have money in their account. You can add money to their account either online (mymealtime.com) or your child may bring money to the school to be deposited.

If your student is on the Free meal program, please disregard this.

If you have any questions, please contact Debbi Rogers @ drogers@sjcoe.net or 209-839-8759.

SPAM

Our staff has been having a difficult time recently receiving emails from outside of our network. They are going to our SPAM filter, even those that have previously been received successfully. The expectation is that if you send an email, you should receive a response within 24 hours. If you are not hearing back from a staff member, please try to call the school 209-839-2380 as they may not have received that email.

We are whitelisting stuck email accounts as we find them to try to resolve this issue. Thank you for your patience.

Teacher Appreciation Week – May 6-10

Some students may want to bring gifts to staff members. Here is a link so you can find your teacher's favorite things. [Link to Staff Favorite Things](#)

May 6 – Thanks a *bunch* to our great teachers!

Bring your teacher flowers to show appreciation for their hard work.

May 7 – Our teachers are *noteworthy*!

Write your teacher a thank you note or make them a card.

May 8 – Our teachers are *sweet*!

Bring in a sweet treat or candy for your teacher.

May 9 – Teachers love *kind deeds*!

Do a random act of kindness or thoughtful gesture for your teacher.

May 10 – Our teachers are *one of a kind*!

Try to find a gift or gesture that meets your teacher's special interests.

April 1, 2019

Dear Jefferson School District Families:

From April 29th to May 17th, students in 3rd to 8th grade will be participating in the Smarter Balanced Summative Assessments in Math and ELA, which are part of the California Assessment of Student Performance and Progress (CAASPP) System. School sites will send out important reminders and a more detailed schedule for students.

Why are the tests important?

The tests were created with teacher input to...

- Measure how well your child has mastered the skills and content standards at his or her grade level.
- Align with the instruction that takes place in the classroom every day.
- Match the learning goals of each grade level.
- Assess critical thinking, analytical writing, and problem solving skills, which are needed for success in college and a 21st century career.

The test has different kinds of questions, including traditional multiple-choice questions as well as ones that require students to explain their answers, show their work, and compose essays.

What should I expect after my student takes the test?

New for next school year, you will receive access to view an electronic score report in the parent portal for your student. The report will show how the student is doing in each area and where help is needed. Depending on the student's results, teachers can use this information to provide targeted help to address specific needs.

But remember, the results from this test aren't meant to tell the whole story. Your child's scores are meant to be one of several ways for you and your child's teacher to see how your student is progressing in school. Test scores, along with student report cards and teacher's observations of your child's performance in the classroom, are used together to form a complete picture of your child's achievement.

Students in grades three through eight who have an IEP that designates the use of an alternate assessment are eligible to take the California Alternate Assessments (CAAs) in ELA and mathematics. The goal of the CAAs is to ensure that students with the most significant cognitive disabilities attain increasingly higher achievement levels and leave high school ready for academic or career options. The test items are aligned with the Common Core State Standards for ELA and mathematics and are based on the Core Content Connectors, which were developed with three tiers of complexity. If you would like

more information or resources about alternate assessments, please visit the CDE's CAASPP Alternate Assessments Web page at <http://www.cde.ca.gov/ta/tg/ca/altassessment.asp>.

In addition to the mathematics and ELA assessments, students in grades 5 and 8 will also take the California Science Test (CAST) or the CAA for Science Test. California's new state standards for science call for students to think and work like scientists and engineers, asking questions and learning through hands-on investigation and discovery. This is the first year the CAST will be operational and students will receive a score report. The CAA is in the second year of field testing and will not provide scores for your child, it is an important step in developing an assessment that will fairly and accurately measure how students are achieving on the new science standards. For additional information about the new science tests and sample questions, please visit the CDE's CAASPP Science Assessment Web page at <http://www.cde.ca.gov/ta/tg/ca/caasppscience.asp>.

Students in grades 5 and 7 are also currently preparing and participating in the California fitness test. The Physical Fitness Test (PFT) for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Additional information can be found online at <https://www.cde.ca.gov/TA/tg/pf/>

Where can I learn more?

For information about the specific testing schedule for your child please contact the school or your child's teacher. I also encourage you to take a look at a practice test for your child's grade level. The practice tests are posted on the California Department of Education's Smarter Balanced Practice Tests Web page at <http://www.cde.ca.gov/ta/tg/sa/practicetest.asp>. To find out more details about the Smarter Balanced test, visit the "Be a Learning Hero" Web site at <http://bealearninghero.org/classroom/smarter-balanced>.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments. If you have any questions about your child's participation, please contact the school.

At Jefferson School District, our goal is for all students to achieve their full potential. The Smarter Balanced tests are just one way that we are able to better understand if we are meeting that goal. Thank you for all you do to partner with us in your child's education.

Thank you,

Sarah Steen

Graduation Amazon Wish List

Would you like to help contribute to the 8th grader graduation, but perhaps don't have a lot of time? Here's a way to help out. You can make a donation of items we need through the Amazon Wish List. The items will be sent directly to the school and will be used for our many graduation events. View the Wish List by clicking on the link below:

https://www.amazon.com/registry/wishlist/3CNOPM8C3TI80/ref=cm_sw_em_r_mt_ym_wl

8th Grade Exit Interview Sign Up

This week we sent out a link so you can sign up for an 8th grade Exit Interview appointment for your child you can also find the link below. We ask that at least one parent attends the interview. This is a moment for your student to show what they know and will be asked questions about 8th grade essential standards. Students will receive a study guide and are working with their teachers to prepare. The recommended attire for students is business casual as we are trying to simulate an interview environment. This assignment is to assess their Speaking & Listening skills and will count towards their Language Arts grade. If you have any questions, please contact Ms. Orsi at corsi@sjcoe.net or via phone at (209) 839-2380. Click on link to sign up for an appointment:

WALKERS – STUDENTS ARE ABLE TO WALK HOME

DRESS CODE

Please review the Dress Code in our Handbook on the Jefferson District Website. Please see the graphic below for examples.

Per the district policy, the consequences for dress code violations are:

First offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes.

Second offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes. The student shall be assigned detention as determined appropriate by the principal or the designee.

Third offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes. The principal or the designee shall assign the student ten hours of community service to be performed within thirty calendar days.

Fourth and subsequent offenses: The student shall be suspended for a period of 1-5 days as determined by the principal or the designee.

JEFFERSON SCHOOL DISTRICT DRESS CODE GUIDELINES

<p>ACCEPTABLE TOPS</p> 	<p>NOT ACCEPTABLE TOPS</p> 
<p>ACCEPTABLE BOTTOMS</p> 	<p>NOT ACCEPTABLE BOTTOMS</p> 
<p>ACCEPTABLE SHOES</p> 	<p>NOT ACCEPTABLE SHOES</p> 
<p>ACCEPTABLE TOPS</p> 	<p>NOT ACCEPTABLE TOPS</p> 

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
