"Living and learning with purpose"

Principal's Corner

By Christina Orsi

This school year is quickly coming to an end. Last week, our 8th graders kicked off the graduation season with their Exit Interviews, Honors Night, and the Ice Cream Social. Working with our 8th grade class is one of the highlights of my job. This is a very talented, kind, and well-prepared group of young people. Above, I am pictured with Kiana Ablaza, the recipient of the Principal's Award and the Chris Pease Scholarship. Congratulations to the Class of 2019 and I wish them the best of luck as they transition to high school and the next chapter of their educational journey.

Our students have been working hard all year long. This week is filled with exciting activities for students and community building events. On Monday, our talented Huskies will get to show off their skills at our Talent Show. On Tuesday, the 8th graders will play the staff in a basketball game. Thursday is the TK-3rd grade Spring Sing. Friday, the 8th graders will go on their field trip to Great America. Next Tuesday, the 6th graders will culminate their unit of Greece and Rome with the Greco-Roman Olympic events.

This summer we will be modernizing our administration building. Over the summer, our office will temporarily be in Room 1.

This is the last newsletter of the school year. It continues to be a pleasure serving as the principal of Tom Hawkins Elementary School. Working with our students is a joy. I hope you have a safe and fun summer. Take the opportunity to unplug and spend time with your children. I look forward to seeing you in August at our Welcome Back Event on August 2!
