“Living and learning with purpose”

## Principal's Corner

By Christina Orsi

One of the best parts of working at a TK-8<sup>th</sup> grade elementary school is the connections between our oldest and youngest learners. On Friday, I was watching Mrs. Scornaienchi's kindergarteners running the track for PE, and was able to get an impromptu cheering tunnel of 8<sup>th</sup> graders formed to motivate the little guys to finish strong. Our young students love working with older students. They regard them as adults. The older students get to feel a sense of responsibility because they are role models. It encourages both groups to make great choices.

Speaking of great choices, this week is Red Ribbon Week. The purpose of Red Ribbon Week is to lead and support students, families, and communities in nurturing the full potential of healthy, drug free lives. There are dress up days every day to remind students to say no to drugs. On October 25, our 6<sup>th</sup>-8<sup>th</sup> graders will participate in the Teen Truth Live assembly. Some of our school leaders and Jr. Bulldog Project members will be trained in the Rising Up curriculum which gives them tools to resolve conflict and become allies for students in need of assistance. Our 5<sup>th</sup> Grade DARE graduation is this Wednesday. DARE is our Drug Abuse Resistance Education program.

### DID YOU KNOW?

*Every Day Counts in another way. Schools are funded through their Average Daily Attendance.*

*Did you know that in our district, each day a child is absent, the school loses*

**\$47.36**

*That means if just 1 student from each classroom is absent, our school loses \$1,326 a*

*day or* **\$238,694**

*per year! Every day counts!*

## Every Day Counts

Chronic absenteeism is a serious problem on our campus. Many students are absent or tardy on a regular basis and this has a huge impact on their learning. We want you to join us in making school attendance a high priority for your family. We are partnering with HPFC to incentivize perfect attendance. Students with perfect attendance each month will be entered into a drawing to win a special prize. Remember, school is your child's first and most important job. Please support them by getting them here on time and scheduling appointments and vacations outside the school day.

## California Healthy Kids Survey

This fall, 5th and 7th graders across the district will complete the California Healthy Kids Survey (CHKS). CHKS is the largest statewide survey of resiliency, protective factors, and risk behaviors in the nation. Across California, the CHKS has led to a better understanding of the relationship between students' health behaviors and academic performance, and is frequently cited by state policymakers and the media as a critical component of school improvement efforts to help guide the development of more effective health, prevention, and youth development programs. It can be easily customized to meet local needs, interests, and standards, and provides a means to confidentially obtain data on student knowledge, attitudes, and perceptions about the topics it covers.

Parents may find additional resources and information about the survey by clicking on the link below.

<http://chks.wested.org/>

Copies of the survey can be downloaded below in English or Spanish for review the questions prior to authorizing your student's participation.

## Halloween Parade October 31, 8:45AM

Families are invited to come to campus to see our Halloween Parade. Please sign in as a visitor in the office prior to entering campus. Students will be promenading around the quad hallways. Spectators should stand on the grass area to watch them pass.

Just a friendly reminder of our costume guidelines:

- No weapons of any kind. (For example, swords, light sabers, axes, guns, blasters, etc.)
- Masks may only be worn during the parade and will need to be removed for the remainder of the day.
- Costumes may not be vulgar, offensive, or racist.
- No scary clown costumes may be worn to campus.

## 5<sup>th</sup> Grade DARE Graduation

The DARE Graduation is Wednesday, October 24 at 6:30PM in the MPR. Students must complete their DARE requirements in order to participate in the graduation event. Please contact Mrs. Gray if you have any questions about the DARE requirements at [sgray@sjcoe.net](mailto:sgray@sjcoe.net).

## Gifted and Talented Education Program (GATE) Testing

Gifted and Talented Education (GATE) testing is open to all third through eighth graders who have not taken the OLSAT 8 in the past three years. The three possible ways to qualify for GATE for 2018-2019, will be through the Otis-Lennon School Ability Test (OLSAT), CAASPP Score criteria met, or through the teacher recommendation / portfolio process. The OLSAT test will be given to eligible 3rd - 8th graders in November. Testing will occur after school at your child's school site. The testing schedule can be found below. Parents are responsible for student transportation. If you would like your child to participate in the upcoming GATE testing, please contact the school office and ask for a GATE application or go to the Jefferson School District Website ([www.jeffersonschooldistrict.com](http://www.jeffersonschooldistrict.com)) for the application. The application can be found under Academic Programs, Gifted and Talented, GATE student application or click: <http://www.jeffersonschooldistrict.com/site/default.aspx?pageid=53>

The application must be completed and returned to the school office by Friday, October 26th!

### Testing Schedule:

- Friday, November 2, 2018 at Jefferson
- Tuesday, November 6, 2018 at Hawkins
- Wednesday, November 7, 2018 at Traina
- TBD at Monticello

If you have any questions, please contact Student Services at (209) 836-4531.

## Dress Code

The weather has been cooling off so it is a good time to remind families about our school dress code. Please make sure you review the district dress code policy below. One of the main issues that comes up at this time of year are leggings. Leggings can be an inexpensive, durable option for students. Please make sure that the dress code is being followed by making sure whatever garment is worn over the leggings is fingertip length.

In addition, students wearing their own shorts for athletic teams need to be following the dress code as well. Shorts for volleyball and soccer need to be fingertip length.

## TB Clearance

Nurse Tina will be doing the TB Assessment Questionnaires on the last Tuesday of this month - October 30<sup>th</sup> - instead of her usual Wednesdays. Please drop by anytime between 3:00pm and 4:00pm in the Student Services Building at 1219 Whispering Wind Drive.

## College Week 2018

College Week is a time for our school to place a focus on College and Career Readiness. Throughout the week, students will be participating in Spirit Dress-Up days and college awareness events. The week will culminate with a college themed rally on Friday, November 9th. Each class has been assigned a college for Friday's spirit day and rally. Please see the attached list to find your assigned college. The list is built to group students. This is an excellent opportunity to learn about academic expectations for admission to college.

I hope you take this opportunity to discuss your college experience with the students, give them a virtual tour of a college, or show them memorabilia. The more we talk about college as an attainable goal for our kids the more they are going to believe they can accomplish it. Please see below for the spirit days of College Week. This should be a fun and educational experience for all!

Monday, November 5	<b>Signing Day</b> – wear the colors or clothes of the college you wish to attend
Tuesday, November 6	<b>Honor Tom Hawkins' College</b> – wear Orange and Black for UOP, Tom Hawkins' college
Wednesday, November 7	<b>Honor Your Teacher's College Day</b> – wear the college colors from your teacher's college
Thursday, November 8	<b>Dress for Success Day</b> – dress in professional attire (shirts, ties, suites, dresses, skirts)
Friday, November 9	<b>Extreme College Spirit</b> – wear EXTREME colors and clothes from your assigned college team. There will be spirit awards given at the rally for wearing the most EXTREME college spirit wear.

**\*For all of these special dress days, the dress code still applies.**

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
