

"Living and learning with purpose"

## Principal's Corner

By Christina Orsi

What a week we had at Hawkins! It was packed with activities to thwart bullying on our campus. The students had so much spirit throughout Red Ribbon Week where the focus was making good choices and handling peer pressure. The 5<sup>th</sup> graders concluded their DARE program and graduated on Wednesday evening. Our 6<sup>th</sup>-8<sup>th</sup> grade students participated in the Teen Truth Live assembly to learn about the effects of bullying on students. The assembly was followed by Rising Up training, where student leaders were trained to be peer coaches and advocates. We had our first game time at lunch, so students have a safe supervised area where they can play games together. We will continue working on promoting a culture of kindness and compassion to help combat bullying.

Please join us at our upcoming Halloween Parade. Parents can watch from the quad as students promenade through the hallway. Please be sure to review the costume guidelines below.

We are also preparing for College Week. Please find your students assigned college below. This year, the focus is on military colleges.

Just a friendly reminder of our costume guidelines:

- Costumes may not be vulgar, offensive, or racist.
- No scary clown costumes may be worn to campus.

## California Healthy Kids Survey

This fall, 5th and 7th graders across the district will complete the California Healthy Kids Survey (CHKS). CHKS is the largest statewide survey of resiliency, protective factors, and risk behaviors in the nation. Across California, the CHKS has led to a better understanding of the relationship between students' health behaviors and academic performance, and is frequently cited by state policymakers and the media as a critical component of school improvement efforts to help guide the development of more effective health, prevention, and youth development programs. It can be easily customized to meet local needs, interests, and standards, and provides a means to confidentially obtain data on student knowledge, attitudes, and perceptions about the topics it covers.

Parents may find additional resources and information about the survey by clicking on the link below.  
<http://chks.wested.org/>

Copies of the survey can be downloaded below in English or Spanish for review the questions prior to authorizing your student's participation.

<https://bit.ly/2zt68JZ>

We are asking 5<sup>th</sup> and 7<sup>th</sup> grade parents to take the survey as well. The parent survey can be found by clicking on the following link: [surveys.wested.org/csps/GY276VX](https://surveys.wested.org/csps/GY276VX)

## Every Day Counts

Chronic absenteeism is a serious problem on our campus. Many students are absent or tardy on a regular basis and this has a huge impact on their learning. We want you to join us in making school attendance a high priority for your family. We are partnering with HPFC to incentivize perfect attendance. Students with perfect attendance each month will be entered into a drawing to win a special prize. Remember, school is your child's first and most important job. Please support them by getting them here on time and scheduling appointments and vacations outside the school day.

### DID YOU KNOW?

*Every Day Counts in another way. Schools are funded through their Average Daily Attendance.*

*Did you know that in our district, each day a child is absent, the school loses*

**\$47.36**

*That means if just 1 student from each classroom is absent, our school loses \$1,326 a*

*day or* **\$238,694**

*per year! Every day counts!*

## Gifted and Talented Education Program (GATE) Testing

Parents are responsible for student transportation. If you would like your child to participate in the upcoming GATE testing, please contact the school office and ask for a GATE application or go to the Jefferson School District Website ([www.jeffersonschooldistrict.com](http://www.jeffersonschooldistrict.com)) for the application. The application can be found under Academic Programs, Gifted and Talented, GATE student application or click: <http://www.jeffersonschooldistrict.com/site/default.aspx?pageid=53>

## College Week 2018

College Week is a time for our school to place a focus on College and Career Readiness. Throughout the week, students will be participating in Spirit Dress-Up days and college awareness events. The week will culminate with a college themed rally on Friday, November 9th. Each class has been assigned a college for Friday's spirit day and rally. Please see the attached list to find your assigned college. The list is built to group students. This is an excellent opportunity to learn about academic expectations for admission to college.

I hope you take this opportunity to discuss your college experience with the students, give them a virtual tour of a college, or show them memorabilia. The more we talk about college as an attainable goal for our kids the more they are going to believe they can accomplish it. Please see below for the spirit days of College Week. This should be a fun and educational experience for all!

Monday, November 5	<b>Signing Day</b> – wear the colors or clothes of the college you wish to attend
Tuesday, November 6	<b>Honor Tom Hawkins' College</b> – wear Orange and Black for UOP, Tom Hawkins' college
Wednesday, November 7	<b>Honor Your Teacher's College Day</b> – wear the college colors from your teacher's college
Thursday, November 8	<b>Dress for Success Day</b> – dress in professional attire (shirts, ties, suits, dresses, skirts)
Friday, November 9	<b>Extreme College Spirit</b> – wear EXTREME colors and clothes from your assigned college team. There will be spirit awards given at the rally for wearing the most EXTREME college spirit wear.

\*For all of these special dress days, the dress code still applies.

# **College Week Essay and Pennant Contest 2018**

## **Essay Contest**

Each year, around 20 million students apply to American colleges and universities. With this much competition, students must make their applications stand out. Colleges ask students to write personal insights or short essays to help them set themselves apart from other applicants.

In 350 words or less, answer ONE of the following personal insight questions taken from the University of California application. Answers must be typed and include your first and last name and grade. All entries are due to the office by Wednesday, November 7th at 3:00pm. Winners will be announced at the rally on Friday.

- ✓ Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
- ✓ What have you done to make your school or your community a better place?

## **Pennant Contest**

A pennant is a type of flag used to support favorite sports or college teams. Traditionally, they were made of felt and were in the shape of a triangle. A pennant shows school colors along with the mascot. Create and decorate a pennant for the college you wish to attend. Your pennant should include:

- ☐ School colors
- ☐ Name or acronym of the college or university
- ☐ Picture of the mascot of the college or university

Entries are due to the office by Wednesday, November 7th at 3:00pm. Winners will be announced at the rally on Friday.

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
