Principal's Corner

This week, our 6th graders will be heading off to science camp. In today's tech infused culture, it is a wonderful time for students to be able to unplug, explore, and experience new places and ideas. We ask that parents please drop off their students off in the MPR with their luggage and check in with their teacher. Please be sure to bring all forms and medications with you. Students should bring a sack lunch as they will be stopping to eat on the way to camp. It has been fun for me to watch the students preparing and seeing their anticipation grow. Our county attends Jones Gulch Camp, which is the same camp I attended as a 6th grader, a Cabin Leader in high school, and as a principal. This is a fantastic group of 6th graders and I know they will have an amazing experience! Safe travel campers!

[College Week](#) is coming up soon. This is an opportunity for students to be exposed to different universities, community colleges, trade schools, and careers. This year we are focusing on colleges with a science and engineering focus. Please see below for your student's specific college assignment. With a senior myself at home, November is an important month because college applications are due. This is a great chance to start the conversation about college planning at home.

This month's character trait is Sportsmanship. Our role model is Steph Curry.

College Week is a time for our school to place a focus on College and Career Readiness. The colleges we are focusing on this year are universities with an emphasis on STEM and engineering majors. Throughout the week, students will be participating in Spirit Dress-Up days college awareness events. The week will culminate with a college themed rally on Friday, November 22. Each class has been assigned a college for Friday's spirit day and rally. This year, the focus is on well-known California colleges. Please see the attached list to find your assigned college. The list is built to group students for the rally. This is an excellent opportunity to learn about academic expectations for admission to college.

I hope you take this opportunity to discuss your college experience with the students, give them a virtual tour of a college, or show them memorabilia. The more we talk about college as an attainable goal for our kids the more they are going to believe they can accomplish it. Please see below for the spirit days of College Week. This should be a fun and educational experience for all!

Monday, November 18	Signing Day – wear the colors or clothes of the college you wish to attend
Tuesday, November 19	Honor Tom Hawkins' College – wear Orange and Black for UOP, Tom Hawkins' college
Wednesday, November 20	Honor Your Teacher's College Day – wear the college colors from your teacher's college
Thursday, November 21	Dress for Success Day – dress in professional attire (shirts, ties, suites, dresses, skirts)
Friday, November 22	Extreme College Spirit – wear EXTREME colors and clothes from your assigned college team. There will be spirit awards given at the rally for wearing the most EXTREME college spirit wear.

***For all of these special dress days, the dress code still applies.**

Lunch Room Reminders

Recently, it has been observed that some students and families are not following the rules about lunch. Here are some important reminders. You will also see our school lunch menu below.

- Class parties/socials are to be coordinated with the classroom teacher for special holidays and events.. Parents may not bring food or treats for any child other than theirs during lunch. This is considered a party/social and is not allowed.
- Students are not able to bring soda, candy, or gum on campus.
- During construction, we are asking parents to limit the times they are bringing hot lunch to their students as there is a lack of storage space for distribution.
- Students should not share their lunch items with others.

Please help us keep lunch running smoothly by reviewing these guidelines.

BOX TOPS just made it SO EASY to make money for our school!

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...
CLIP IT

SEE THIS...
SCAN
YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can "double dip" during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
