## Principal's Corner

After much anticipation, I am happy to announce our office reconstruction project is complete and our front office will be fully operational this week! We appreciate everyone's patience throughout construction. During this process, we have been utilizing our MPR and kindergarten gates for entry to the campus. This has worked out very well and we are going to continue this morning procedure. Kindergarten parents with drop-off passes can continue going through the gates. All other visitors to campus can check-in through our Identikid system in the main office. If you are unfamiliar with this system, adults need to scan their driver's license into the Identikid program, it quickly does a background check, and then prints out a visitor badge.

Last January, I started a Bullet Journaling group with our middle school students. Bullet Journals help track personal goals, and last year I was proud to have completed my 2019 resolution of reading at least 50 books with the help of my bullet journal tracker. Though I love to hold a hardcopy of a book, I also love to listen to audiobooks. In working with several of our students who are reluctant readers, I highly encourage parents to try incorporating audiobooks into their children's reading repertoire. There are many paid audiobook services, but I have fallen in love with an app called *Libby*. It is FREE and you access digital content and audiobooks with a public library card. This year, I want to break my personal record and read 60 books. I invite you and our students to join me in this literary challenge and read our way through 2020!

It is crucial that students arrive on time to school each day. Research tells us that when students are late to school that their academic success is negatively impacted. If you are struggling to get your student to school on time please consider the following tips:

- Set an earlier bedtime and waking time
- Create regular morning routines
- Plan the night before by laying out clothes and packing lunches and backpacks
- To avoid carline traffic... drop off in students in the cafeteria before the 8:00 bell (The cafeteria opens at 7:30)

# BOX TOPS just made it SO EASY to make money for our school!

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...  
**CLIP IT**

SEE THIS...  
**SCAN**  
YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP  
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
