## Principal's Corner

We have recently retired some Chromebooks and replaced them with updated models. This gave us a wonderful opportunity to distribute them to students in 5th and 6th grade across the district for free. The goal is to for all students to have access to technology at home and this helped us get us closer to that goal. The students receiving the devices were so excited and appreciative. It was extremely fun to watch their faces as we handed the devices out! We plan on continuing this process as additional devices are retired.

Attention 8th grade parents, there are some important action items for you including sending in [pictures for the slide show](#) and baby pictures for the [yearbook](#). Please take a look below for more information. We're taking a picture of 8th graders for the yearbook on Thursday. At the same time we'll be taking our 9-year Lifers picture Thursday as well. Don't forget to wear Huskies gear!

Congratulations to all of our boys basketball teams! Our season is over and it was a pleasure seeing them play so hard until the end. Our 5th/6th grade combo team came in second in their tournament. Our 7th and 8th graders faced on in their tournament with 8th grade ultimately winning. Thank you to our coaches, refs and players for such a great season!

“The most fundamental element for school success is that children consistently come to school on time for the full day.”

**Gifted and Talented Education (GATE) – OLSAT Testing 2019-2020**  
**Spring GATE Testing 3<sup>rd</sup> – 7<sup>th</sup> Grade: March**  
**2<sup>nd</sup> Grade Testing: April**

There are three ways to qualify for GATE in Jefferson Elementary School District: Earn a qualifying score on the Otis-Lennon School Ability Test (OLSAT), meet the district CAASPP Score criteria, or through the teacher recommendation / portfolio process. Gifted and Talented Education (GATE) testing is open to second through eighth graders who have not taken the OLSAT 8 in the past three years.

Jefferson Elementary School District provides 2<sup>nd</sup> – 8<sup>th</sup> grade students the opportunity to participate in an assessment used for identifying Gifted and Talented Education (GATE) students. Currently, the Otis-Lennon School Ability Test, Eighth Edition (OLSAT-8) is available two times each school year: Fall and Spring. Beginning in the 2018-2019 school year, JSD will test all second grade students to be considered for GATE. This is part of a District-wide plan to address the disproportionate number of underrepresented student populations identified as gifted and capture students who may be overlooked using the past practice. The testing schedule can be found below for each school site.

Parents are responsible for student transportation if participating in the after school test. If you would like your child to participate in the upcoming GATE testing, please contact the school office and ask for a GATE application or go to the Jefferson School District Website ([www.jeffersonschooldistrict.com](http://www.jeffersonschooldistrict.com)) for the application.

# BOX TOPS just made it SO EASY to make money for our school! So far, we have collected **\$448.60**

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...  
**CLIP IT**

SEE THIS...  
**SCAN YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

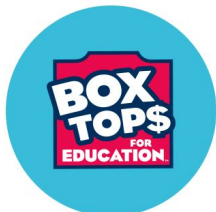

**BE SURE TO DOWNLOAD THE NEW APP OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can "double dip" during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!

CASH FOR YOUR SCHOOL

It's that easy! Box Tops earnings are identified and automatically updated online.

We first posted the clip above in the 10/14/19 Newsletter... that means we have collected \$182.00 in Box Tops this way in just 4 months. Imagine how much we could earn if all families got involved with this program... Please talk this up with your friends, family, and neighbors. It is a great fundraiser and just so easy to do. Looking forward to making our goal of \$1,000.00 this school year.

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.

## What You Need to Know About the Census

Every 10 years, people across the country and in California fill out the Census in order to have an accurate count of all people in the United States. The Census determines California's federal funding for important community services that help support our families and fair share of representation in California and Washington D.C.

The next Census is in Spring 2020. Let's ensure all Californians are counted so we can put those resources to good use here at home!

## Census Key Dates

Starting in mid-March 2020, each household will get a letter in the mail. It will explain the different ways you can fill out the Census. If you don't receive a letter, you can still go online or call to fill it out. Be sure you include any person living in your household, family or not.

# Why All Californians Should Take the Census

The Census is safe, protected and confidential. The Census helps determine how much money California receives for important programs and services. When you fill out the Census, you help your community get its fair share of money.

**BUILD BETTER ROADS AND SCHOOLS**

**FUND COMMUNITY PROGRAMS FOR SENIORS, CHILDREN AND FAMILIES**

**CREATE JOBS**

**IMPROVE HOUSING**

Information collected as part of the 2020 Census cannot be shared by other governmental agencies or used against you in any way. California is different and diverse. ALL Californians count. Take the Census.

## How to Complete

**MAIL:** Request a paper Census form in English or Spanish that can be mailed back to the U.S. Census Bureau.

**PHONE:** The Census can be completed by phone in 13 languages.

**ONLINE:** For the first time, the Census form will be available to complete online in 13 languages.

Video and printed guides will also be available in 59 non-English languages, and there will be a video in American Sign Language, plus a printed guide in braille. Whichever you choose, just make sure you fill out the form!

# El Censo se va a realizar en 2020

El siguiente Censo será en la primavera del 2020.

Asegurémonos de que se cuenten todos los californianos para que tengamos recursos en nuestras comunidades que nos ayuden a:

-  **FINANCIAR PROGRAMAS COMUNITARIOS PARA PERSONAS MAYORES, NIÑOS Y FAMILIAS**
-  **CREAR TRABAJOS**
-  **MEJORAR VIVIENDAS**
