"Living and learning with purpose"

Principal's Corner

By Christina Orsi

We had a tremendous turn out for our Band Info Night! Students were able to try out a variety of instruments to see which one suited them best.

This year we are implementing our Multi-Tiered System of Support (MTSS) to help insure all students are getting their academic and behavioral needs met. A tenant of MTSS is high quality first instruction both academically and social-emotionally. Our district is using a curriculum called [Second Step](#) for social-emotional instruction. Last week our students learned about scholarly habits like attentive listening, checking Aeries, and maintaining their planners. This week's lesson focuses on being respectful learners and empathy.

We are kicking off our Boosterthon Fund Run this week. This is our major fundraising program and we need everybody to participate. We have some great online tools to help families reach out to get pledges online. Please read and follow the simple directions below to register. Students will be participating in a kick-off rally on Tuesday and lunchtime activities over the next 2 weeks. The Fund Run is on Friday, September 7. Parents are invited to come and participate.

Have a fantastic week!

Car Line Etiquette

A sincere "Thank You" to all parents who are helping make the carline run smoothly. We have had a few instances over the past couple of weeks that have created unsafe and unacceptable situations in the car lines. This is elementary school pick-up. We have 4-year olds to 14-year olds trying to be dismissed and it is critical that the adults picking them up act responsibly. Adults need to follow the procedures and be role models to the 730 children who witness their actions every day. Please remember the following carline etiquette:

- **Be Courteous** - It is never appropriate to yell, curse, or give gestures to others in the car line, especially to the staff, who is working diligently to keep the students safe. This type of behavior is unacceptable. The kids are watching, be good role models.
- **Stay Off Your Phone** - Drivers should not be on a cell phone in the car line. It is distracted driving and it is against the law.
- **Pay Attention** - There are near misses regularly because drivers are not paying attention to their surroundings. Watch out for students at crossings and take extra care to pay attention to where you are going.
- **Do Not Park Illegally** - That means do not park in the car line, fire lane, or parking lot lane. You need to find an actual, legal parking spot if you are planning on getting out of your vehicle - either in the lot or on the street.
- **Follow the Rules** - Everybody is busy and wants to get out of the carline quickly. If we follow the rules and work expeditiously, it only takes about 9-10 minutes to completely clear the car lines. Please review the drop off/pick up procedures below.
- **Bring Your Patience** - Give students a chance to exit their vehicles with their belongings and get into their car and buckle up. Do not honk at others to get them to hurry up.

IdentaKid Visitor Management System

Our district received a grant to help implement the IdentaKid Visitor Management System. This is a where visitors scan their driver's licenses and a background check is performed against the national sex offender registry prior to receiving a visitor badge. Tardy students and students leaving campus early will also use the system to print passes. We know this is a learning process and it will take time to acclimate to the new system. We welcome any feedback or questions you may have. Please let us know how we can assist you.

Morning Drop off Procedures

Students being dropped off between 7:30-8:00am should report to the Multi-Purpose Room. Adults entering campus should report to the office to sign in and get a visitor badge. At the 8:00am bell, students should make their way to the appropriate play yard.

TK and Kindergarteners will go to the kindergarten yard. First through 4th grade students will go to the Lower Yard. Fifth through 8th grade students will go to the Upper Yard.

Our goal is to have students play independently at morning recess. Parents are welcome to accompany children to the play yards, but they must remain behind the yellow line. Younger siblings who are not Hawkins students are not allowed to play during morning recess.

There is an 8:10am bell which signals it is time to go to class. Students will make their way to their classrooms. The tardy bell rings at 8:15am, at which time the campus is closed and parents should make their way off campus. Please do not stay at your child's classroom door after the 8:15am bell.

Coaching Days

A critical role school administrators play is that of an instructional leader. In order to fulfill this role effectively, administrators need time in classrooms interacting with teachers and students. Some times with the day to day management of a school site, this process can get pushed behind other "hot" items. This year, Mrs. Bessette and Ms. Orsi are making this a top priority and parent support is going to be important. Administrators will be engaged in coaching days once a week and will have protected time scheduled. This will allow them to be in classrooms where the learning is happening.

Mrs. Bessette's Coaching Day – Wednesday

Ms. Orsi's Coaching Day – Thursday

Emails and calls to an administrator during coaching days will be answered the following day. If immediate assistance is needed, one administrator will be available. We know the quality of your child's instruction is your highest priority. It is ours as well. Please support us in this endeavor to help improve instruction for ALL students! If you have any questions, please reach out to Mrs. Bessette (fbessette@sjcoe.net) or Ms. Orsi (corsi@sjcoe.net).

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.
