Principal's Corner

This week, our 2nd grade scientists were busy exploring natural phenomena around the Hawkins campus. They were making observations, collecting data, and recording information in their science notebooks. Our district is currently piloting new science curriculum called Amplify. It is incredible to have instructional tools that help bring science to life for even our youngest learners and facilitate students doing hands-on exploration.

Thank you to our parent volunteers Niccki Doss, Maricela Luna, Guadalupe Madrid, Badia Aamir, Sharie Mahfos, and Christine Ward for helping with our Vision Screening. We could not have done it without you!

Thank you to Christine Ward and Theresa Soto who just completed their two year term on our School Site Council. We have some great volunteers running for the Council this year. Please take a moment to click on this link to vote for our parent representatives.

HPFC HAPPENINGS

We have a lot planned this month and we hope families are excited to join us for all the fun. Please come out and join us. Our next big event is our Outdoor Movie Night scheduled for Friday, September 20th.

Bring out your lawn chairs and get ready for a beautiful evening on the lawn. It will start a little later than most movie nights as we have to wait for the sun to go down. Doors will open at 6PM and we are planning on having a food vendor out offering dinner options. Kona Ice will also be out at Hawkins selling yumming shaved ice slushies. HPFC will be selling concessions such as sodas, popcorn, and candy. We will also be selling spirit wear and new spirit items such as water bottles, bows, and stickers.

The bralette, the cold shoulder style shirt, and the cut-off style shirt are recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule. For cut-off shirts, no mid-drift should be exposed. They can be worn with an undershirt to cover the mid-drift area.

Holiday Art Contest

Each year the San Joaquin County Office of Education (SJCOE) produces a holiday card that is distributed to over 800 individuals including San Joaquin County principals, district superintendents, government officials, and county superintendents statewide. The artwork on the card is created by a student, or students, in San Joaquin County to showcase the vast abilities of children in the world of art.

From all entry forms received, **a total of 4 classes**, one from each of the four grade categories will be randomly selected to participate and receive art supplies for this contest. The four grade categories are: TK-4, 5-8, High School, and SDC.

Please note, only artwork from the students in the randomly selected classrooms will be considered for a chance to get their artwork featured on SJCOE's official Holiday Card. **Do NOT begin artwork until you have received notification that your class was selected as one of the four classes to participate.**

We're looking for a ***wintry or Holiday-themed scene*** as interpreted by your students—whatever their imagination creates will be perfect! If you have any questions, please contact Administration at 209.468.4802.

If this is something you would like your classroom to be considered for, please complete the bottom portion and submit by **Friday, September 20th** to: **Lucy Greaney – lgreaney@sjcoe.net or fax to 209.468.4975.**
