## Principal's Corner

We had a fantastic pre-kickoff to Red Ribbon Week, last Monday, with a schoolwide assembly presented by Robert Castillo's BMX Freestyle Team. It was great to bring back this tradition, students and staff had a wonderful time! During the assembly the team not only performed amazing stunts on BMX bikes, but also provided the students with information on the following topics: Importance of Education / Character Counts / Anti Bullying / Healthy Lifestyles / Red Ribbon Week / Say No To Drugs / Bike Safety / Helmet Law Regulation / Rules of the Road. Thank you to our Red Ribbon Week committee and HPFC for helping us put on this event!

With this being Red Ribbon Week and Halloween coming up I wanted to bring awareness to the Fentanyl crisis. It is more important than ever that parents inspect all candy and treats being provided to their children. Brightly-colored fentanyl, referred to as rainbow fentanyl, has been identified as a new trend in the United States by the DEA. Rainbow fentanyl can be found in many forms, including pills, powder, and blocks that can resemble sidewalk chalk or candy. Fentanyl can be disguised in Skittles, mints, and other hard candies. Rainbow fentanyl, like all forms of fentanyl, is extremely potent and dangerous. Please see [this letter](#) from the San Joaquin County Fentanyl Task Force for more information.

## Know the Dangers of Fentanyl

With Halloween approaching it is more important than ever that parents inspect all candy and treats being provided to their children. Brightly-colored fentanyl, referred to as rainbow fentanyl, has been identified as a new trend in the United States by the DEA. Rainbow fentanyl can be found in many forms, including pills, powder, and blocks that can resemble sidewalk chalk or candy. Fentanyl can be disguised in Skittles, mints, and other hard candies. Rainbow fentanyl, like all forms of fentanyl, is extremely potent and dangerous.

Did you know that fentanyl overdose deaths are on the rise in San Joaquin County? Fentanyl is a synthetic opioid that is up to 50 times stronger than heroin and 100 times stronger than morphine. Fentanyl-laced drugs and fake prescription pills containing fentanyl are available online and in our communities. People often **don't know** that they are taking fentanyl or how much fentanyl a drug contains. Even in small doses, fentanyl can be deadly.

Too many San Joaquin County residents, including teens, have suffered from overdoses of fentanyl or other synthetic opioids. As part of a collaboration of education, law enforcement, public health, and other organizations, we are coming together to say that **enough is enough**. We need your help to keep youth safe from this dangerous drug. You can help by getting informed and **talking to your student about the dangers of fentanyl and drug use**.

- Just a few grains of fentanyl can be a lethal dose.
- Prescription fentanyl is a powerful medical synthetic opioid prescribed in carefully monitored dosage for extreme pain or end-of-life care.
- Counterfeit pills, obtained on the street or online, can contain deadly doses of fentanyl. They are made to resemble other prescription medications, such as OxyContin, Percocet, Vicodin, Xanax, or Adderall. They are available to anyone with a smartphone.
- In San Joaquin County, fentanyl-related overdose deaths among teens ages 15 to 19 increased by 300% between early 2020 and the first half of 2021. This age group has the second-highest rate of emergency department visits for fentanyl-related overdoses when compared to all other age groups, according to the most-recent data available.
- Providing drugs causing a fatal overdose may result in criminal prosecution.
- Signs of a fentanyl overdose include difficulty waking up, slowed breathing, confusion, and blue or pale lips and fingernails.
- If you think someone is overdosing, call 911 immediately. (Under state law, a person overdosing and the person calling for help are protected from legal trouble.) If available, administer Naloxone, a life-saving medication to reverse the effects of opioid overdose. It is available free to the public at [San Joaquin County Public Health Services](https://www.sjcopioidsafety.org).

Fatal dose of fentanyl.

The lethal potency of fentanyl and its easy availability increases the already risky behavior of recreational drug use. There is no such thing as a safe street drug, and it is dangerous to misuse prescription drugs. Be aware. Be informed. Be safe. Learn more about opioid use, where to get help, and the Fentanyl is Forever awareness campaign at [www.SJCopioidsafety.org](https://www.SJCopioidsafety.org).

## Halloween Parade and Costume Guidelines - October 31 at 8:30AM

Families are invited to come to campus to see our Halloween Parade. Please come to the office prior to entering campus to pick up a visitor sticker. Students will be promenading around the quad hallways. Spectators should stand on the grass area to watch them pass.

Just a friendly reminder of our costume guidelines:

- No weapons of any kind. (For example, swords, light sabers, axes, guns, blasters, etc.)
- Masks may only be worn during the parade and will need to be removed for the remainder of the day.
- Costumes may not be vulgar, offensive, or racist.

We are looking forward to seeing everyone!

**Be kind if you win  
and if you lose tell  
the other team that it  
was a good game.**

## Jefferson Tracy Athletic League Volleyball Schedule 2022-2023

### Tuesday, October 4, 2022

Hawkins 5 @ Traina 5, 3:30 p.m.  
Jefferson 5 @ BYE, 3:30 p.m.  
Hawkins 7 @ Traina 7, 4:30 p.m.

Jefferson 6 @ TLC 6, 3:30 p.m.  
Traina 6 @ Hawkins 6, 3:30 p.m.  
Jefferson 8 @ TLC 8, 4:30 p.m.  
Traina 8 @ Hawkins 8, 4:30 p.m.

## Jefferson Tracy Athletic League Cross Country Schedule 2022-2023

### Monday, October 3

5<sup>th</sup> Grade @ Jefferson, 3:30 p.m.  
6<sup>th</sup> – 8<sup>th</sup> Grade @ Jefferson, 3:45 p.m.

### Monday, October 10

5<sup>th</sup> Grade @ Hawkins, 3:30 p.m.  
6<sup>th</sup> – 8<sup>th</sup> Grade @ Hawkins, 3:45 p.m.

### Monday, October 17

5<sup>th</sup> Grade @ Traina, 3:30 p.m.  
6<sup>th</sup> – 8<sup>th</sup> Grade @ Traina, 3:45 p.m.

### Monday, November 7 (Championship)

5<sup>th</sup> Grade @ Jefferson, 3:30 p.m.  
6<sup>th</sup> – 8<sup>th</sup> Grade @ Jefferson, 3:45 p.m.

# Arrival/Dismissal Safety

Recently we have been informed of some arrival/dismissal safety concerns that we would like to bring to your attention.

First, we are asking everyone to use caution and restraint when entering and exiting the car lines both directly in front of the school, and out on the major streets close to our campus. You may not be aware, but there is a significant portion of our students and their families that walk to and from school and we want to be sure everyone arrives at school and home safely.

Here's how you can help the situation.

1. Use caution when coming and going from school.
2. Slow down when entering and exiting the neighborhood.
3. Please allow some grace for the process of picking up and dropping off our Hawkins students.

Second, we would like to create a more streamlined process for picking up TK/K students on the east loop. If you are a parent/guardian who walks to campus to pick up your TK-K student on the east side of campus (K-Z Pick-up line); you will need to come and pick your student up from the side fence at the the Kindergarten playground. You will be met by one of our staff members and they will hand off your child to you. If your child is picked up in the car line things will remain the same as they have always been.

Our number one priority is the safety and well-being of your child and these changes will better ensure this goal.

**\$20**

**Buy your ASB  
MEMBERSHIP Now!!**

**\$20**

Why do I need one??  
If you want to attend any of the  
Fun Fridays or Dances, you will  
need one to get in!

**\* Our first FUN FRIDAY (TK - 5th graders)  
is Nov. 18th**

**\* Our first DANCE (6th-8th graders) is  
Oct. 21st**

**It also helps to fund our  
school wide rallies and  
other fun events!**

use code: 14852723

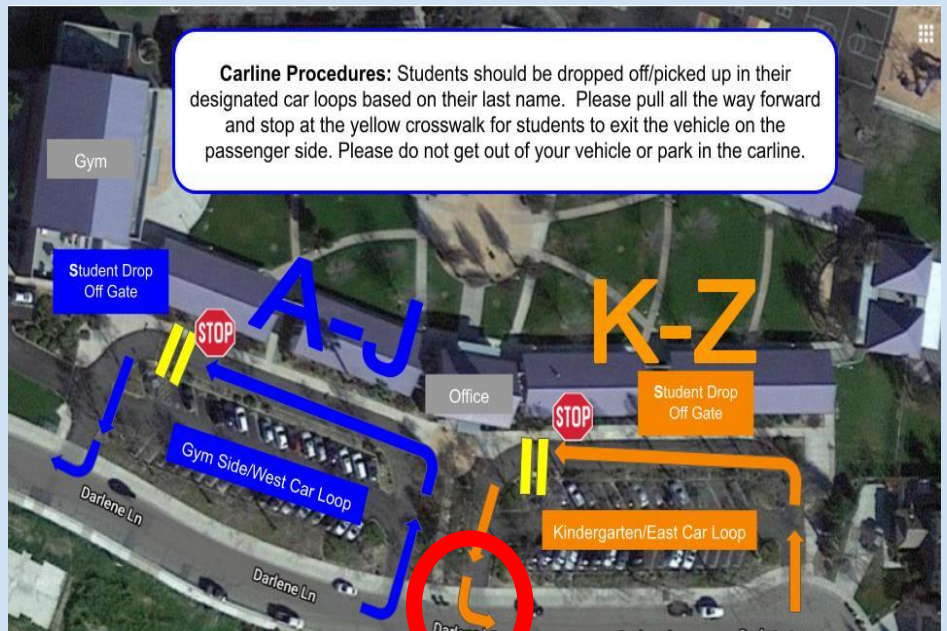

# Important Reminders

- **Do not send your child to school if he/she is not feeling well or has tested positive for COVID.** Please see the current COVID guidelines below. Call the office to report this and receive guidance. Telephone: 209-839-2380
- **Masks** - Masks are optional unless you are exposed to covid or have had a recent case. Please see the guidelines below.
- **Free Breakfast and Lunch** - We are offering FREE breakfast and lunch for all students. Students will place their orders with their classroom teachers daily. Breakfast will be served during morning recess, not before school. The cafeteria will not be serving food before school. Here is the [lunch menu](#). Students are still allowed to bring lunches from home. No lunch deliveries please.
- **Dismissal**- Thank you to all the families that have been following the drive through procedures. Following the directional arrows really helps keeps the cars moving. **Please do not pull through the parking area to drop off your student.** This causes a traffic flow issue when cars are pulling out of the drive through line.
  - Monday is a regular day. Please be sure to pick up your student on time.
    - TK-3 dismissed at 2:00
    - 4-8 dismissed at 3:00
  - Wednesday is a minimum day and all students are dismissed at 1:30
  - If you have to change the dismissal location for your child please contact the teacher so we can be sure your child is in the correct location after school.

**Please do not drop off and pick up students at the crosswalk area on the corner of Darlene and Glenbriar Circle.** This is dangerous for students and the crossing guard. It is also causing a traffic jam as Mr. Larry is trying to get students across the street safely.

**Carline** - Please do not pull into the parking lot area to drop off or pick up students. If you pull into the parking lot area you must park your car and walk your student using the crosswalk.

**LEFT TURN ONLY HERE**

### READING STACKS UP

#### What parents can do to encourage reading

- Continue to support children's learning and interest by visiting the library and bookstores with them
- Find ways to highlight children's progress in reading and writing
- Stay in regular contact with your child's teachers about activities and progress in reading and writing
- Encourage children to use and enjoy print for many purposes (such as recipes, directions, games, sports)
- Build a love of language in all its forms and engage children in conversation

## Student COVID Guidance

What do I do if my child has symptoms? Students with symptoms of COVID-19 infection will not be permitted to return for in-person instruction until they have met CDPH criteria to return to school for those with symptoms:

- Any student who develops new, unexplained symptoms should not return to campus until it is clear that symptoms are mild and improving or are due to a non-infectious cause (e.g., allergies). This includes waiting until 24 hours have passed since resolution of fever without the use of fever-reducing medications.

- If symptoms are concerning for COVID-19, it is strongly recommended that students wear a mask and get tested immediately.

My child has been diagnosed with COVID-19. How long will they be out of school?

Students diagnosed with COVID-19 should follow recommendations listed below (as seen in Table 1 (Persons with COVID-19) of CDPH's guidance for the general public).

- Stay home for at least 5 days after the start of symptoms (or after the date of first positive test if no symptoms).

- Isolation can end after Day 5 if symptoms are not present or are resolving AND a test collected on Day 5 or later is negative.

- If unable to test, choosing not to test, or testing positive on Day 5 (or later), isolation can end after Day 10 if fever-free for 24 hours without the use of fever-reducing medications.

- If fever is present, isolation should be continued until 24 hours after fever resolves. ● If symptoms, other than fever, are not resolving, continue to isolate until symptoms are resolving or until after Day 10. If symptoms are severe, or if the infected person is at high risk of serious disease, or if they have questions concerning care, infected persons should contact their healthcare provider for available treatments.

- Per CDPH masking guidance, infected persons should wear a well-fitting mask around others for a total of 10 days, especially in indoor settings (see masking section below for additional information).

## Masking

As noted above, infected persons should isolate for five days, and mask indoors and when around others during a full 10 days following symptom onset (or positive test if no symptoms). Exposed persons should mask for 10 days following an identified close contact to someone with COVID-19, especially high-risk contacts.

All persons wearing masks should optimize mask fit and filtration, ideally through use of a [respirator](#) (N95, KN95, KF94) or surgical mask. See [Get the Most out of Masking](#) and [Masking Tips for Children](#) (PDF) for more information.

## A Note From the President

Recently HPFC hosted our very first Festival of Lights event and the turn out was incredible! I have so many warm and fuzzy feelings over how many people approached me thanking us for the event. I can't wait to see what next year's event will look like! Thank you so much to the American Desi Society for their donation to help fund supplies for the crafts.

A whole-hearted THANK YOU for the time Neelam Dhesi, Suhkvir Johal, and Kelly Shook spent making this event a reality. ASB lent a helping hand, which I am so grateful for, these amazing students were running the craft tables, which given how many people showed up was quite a feat. Thank you Shaughnessy, Alina, Alexandria, Aiden, Jakob, Pierce, Arman, Peyton, and Leah!!

I very much appreciate everyone who took time out of their busy Wednesday to come to our October HPFC meeting. HPFC was excited to announce donations to the school to help support PE, assemblies, 8th grade graduation, and new walkie talkies for the staff!

This Friday is the HPFC Fall Festival and there are so many fun things planned- a haunted house, trick or treat, pumpkin patch, and more! Of course events can only function with volunteers, which we desperately need. Even if you don't think you can dedicate "enough" time, the littlest bit counts and we are sure we can find a place for you. Please email HPFC if you can help.

Can't wait to see everyone at the Fall Festival!

Sincerely,  
Dana Kemp
