Teacher Recruitment

I'm pleased to announce that over half of the Corral Hollow Elementary School staff has been hired. I would like to thank Emily Stroup, Fiona Bessette, and Heather Copeland for going with me this past Saturday to the teacher recruitment fair at Stanislaus State University. I'm pleased to announce that we hired three additional teachers and have a number of other prospects we are following up with. I'm encouraged by the quality of individuals we interviewed this weekend.

Construction

Corral Hollow Elementary School remains on track for an August 2024 opening. The final piece of the puzzle will be completed in the next two weeks with the site being energized. The construction team continues work to complete the interior finish work in the gym, kitchen, and classroom.

III. PUBLIC COMMENT

Gigi Kaur, Parent – SDC Classroom

Hello, Jefferson board and Dr. Bridges. My name is Gigi. I would like to return to her home district. SDC classes are over-crowded and her son can't return. Would like to see more classes added to help with the over-crowding.

Sharmaine Roberts, Parent – Special Education

Hello, Jefferson board and Dr. Bridges. My name is Sharmaine. I have lived 9 years in the district. I am here to advocate for Special Education over-crowded classrooms. Teachers are over-worked. We need more classes to reduce class sizes for teachers. Classroom should be 10/12 students per teacher, they are closer to 20 students per teacher.

Paige Bly, Teacher – Teacher Pay

Hello, Jefferson board and Dr. Bridges. My name is Paige. I am a Monticello teacher transferring to Corral Hollow. What are we doing for retention to work within Tracy? Looking for compensation pay or a Cost-Of-Living Adjustment (COLA). Recently there was 8.22% increase in funds and wants to know how they are being allocated? Our amazing teachers need to be compensated! It was a heartbreaking endeavor to leave Monticello for Corral Hollow. My hope is to Corral Hollow a success for our kids. Please consider a bare minimum COLA.
