Superintendent’s Report – Dr. Bridges has spent six full days at the school sites so far this school year as he continues to implement the Breakthrough Coaching model. Some of the things that he has been able to observe are; 4th grade math centers at Hawkins, the dyslexia group in one of the SDC classrooms, GLAD strategies used in 8th grade classrooms and Amplify Science used within the classroom. August 22nd Dr. Bridges attended the San Joaquin County Chronic Absenteeism conference and learned good strategies to help with our District attendance. The San Joaquin County District Attorney is going to get involved in the SARB process. The construction project at Tom Hawkins School is on track to be finished at the end of this month. Ken Podany and Char Yarnall from PJHM Architects are here tonight and will be presenting later this evening. Ken and Char came and met with a team of 25 Jefferson School District staff members on August 29th and August 30th to review the Corral Hollow Elementary School design. Nancie Castro and Jay KleebSamut went to the San Joaquin County Office of Education to pick up supplies donated by Amazon. They brought back a van full of supplies that were shared with teachers and staff throughout the District. 5.1 Student Body Reports –

Tom Hawkins School - Tom Hawkins School’s ASB President reported the events that happened on her campus. The students had a red carpet welcome on the first day of school. Last Friday was the first spirit day which was “Flip Flop Friday”. Tomorrow will be “Patriotic Day” where students will wear red, white and blue in remembrance of September 11th. The band program is going strong with over 60 new 5th grade band members. The volleyball and soccer practices have started as well. Last week was the Annual Fun Run/Color Run; it was fun dowsing teachers with color. So far \$17,000 has been raised and people will still be able to donate until September 13th. A new event will be held on October 4th, the Hawkins Block Party, where there will be food trucks, performances and games.

Jefferson School – The ASB President of Jefferson School introduced the elected ASB officers for the 2019 – 2020 school year. This year there are many fun spirit days planned such as “Plaid Day”, “Denim Day” and “Green and Gold Day”, to name a few. The week of 9/23 – 9/27 will be College Week, ending with the College Week Rally on 9/27. Each grade level is assigned a college and they will compete all week long. Jefferson is also having a Professional/Career Day thanks to the help of students and teachers. This is a new event for the campus. Students will visit different career booths and will have an opportunity to learn about various jobs/careers from small business owners to engineers.

Anthony Traina School – Anthony Traina School’s ASB President reported to the audience what has happened so far this school year at her site. The school year started out great with a red carpet welcome. There was an “Under the Sea” water rally for grades TK - 8. It was a great event and the timing just perfect as it took place on an over 100-degree day. Next there was a “Welcome to the Jungle” dance for grades 6 - 8. Fun “survival” treats were served at the dance and the students had a great time. The ASB President noted that she is looking forward to reporting about the upcoming TK – 8 Fun Fridays this school year.

Monticello School – Monticello School’s ASB President reported on the news from the Monticello campus. There is a new 3rd grade teacher this year at Monticello, Mrs. Arevalo, and she is great. There was a fire drill on the 14th and it went well as all of the students listened and behaved well. There are spirit days coming up, an “80’s Dress Up Day” will be in September. Mrs. Harrison, the librarian, has a guide dog who students will be able to practice reading to. The dog’s name is Begonia and she is very popular with the students. There are new seats in the library and they are great. She thanked Mrs. Stroup, Miss Peggi and Miss Leslie and told the audience that they are the best! The ASB President also brought in pictures of Begonia to share with Dr. Bridges, the principals and the Board.
