Pledge of Allegiance

Superintendent's Report – Dr. Bridges reported that this month's weather has allowed BHM Construction to progress greatly at Corral Hollow Elementary School. The kindergarten classrooms will be completely enclosed within the next two weeks. The siding is up, and stucco will be sprayed; roofing is on, and the windows are in. The next step will be putting up drywall and doors. The gym's roof will be going up in the coming weeks, and the second story on the administrative building is coming up in June.

Student Body Reports:

Jefferson- Avni Gahonia, president of Jefferson ASB, briefly explained what has been happening at Jefferson. Including a beach-themed spirit day and dance, their CAASP testing, including the amazing snacks they received. She also informed the board that the band was performing a spring concert, and the eighth-grade class would head to Great America on Friday for their end-of-the-year field trip. Also, next Thursday is Honors Night, where very deserving students will be honored for their hard work. And for the first time, trimester three award winners will be honored, giving students another goal to reach for the 2022-2023 school year. The spring play is Friday, May 19, and Saturday, May 20, and to wrap up the school year, they'll have a shades and flip-flop day followed by eighth-grade graduation and dance on the last day of school. Avni also congratulated and Thanked Ms. Black on behalf of the ASB and Jefferson students.

Traina- Jocelyn Maranon, president of Traina's ASB, shared with the board everything happening at Traina as the school year ends. For starters, the last meeting of the Emerging Leaders was on April 26, with special guest speakers. Also, Tracy and Kimbal High Schools came to our campus to discuss the high school experience and mental health issues. Jocelyn also shared how CAASP testing was difficult but had concluded, and their dance scheduled for April 28 had been rescheduled until May 19th due to decoration issues. Finally, she shared that the eighth graders had their end-of-the-year field trip to Great America with no incidents, and they are looking forward to graduation and the dance.

Monticello- Makena Maloy, president of Monticello's ASB, shared with the board that Monticello recently hosted their open house, inviting families to their children's classrooms and see what they have been working on all year. Also, last week was teacher appreciation; a different theme showed teachers and staff how much we appreciate all they do each day. On May 16, there will be a fourth-grade kickball game, and a talent show on May 25. We'll have a beach spirit day on the last day of school.

Hawkins- Violet Howard Menteer, president of Hawkin's ASB, shared with the board all the exciting events at Hawkins. Haka Palooza took place with Hawkin's very own black lightning and the Thunder headlining and being supported by many other student acts. Hawkins also had a full band performance, and Mrs. Seymour's class won the quietest class in the library award and got fifth-grade students to enjoy the fun sun and nature-related activities. After that, sixth through eighth-grade students got to boogie at their final dance of the year, a 70's themed disco. Next, we will have our pocket art and annual talent show. Our outgoing eighth graders' have their exit interviews, honors night, and their last field trip as Huskies to Great America. Finally, ASB had its last meeting of the year, where a new council was elected for the next year.

Employee of the Year:

Dr. Bridges announced we would recognize the outstanding employees of the Jefferson School District tonight. We are honored to have so many talented and dedicated employees in the District that go above and beyond for students on a daily basis. We ask employees to nominate their peers each year to be recognized as Employee of the Year. Each site selects one classified employee and one certificated employee to receive this honor. In addition, one employee is selected from the District Office or District Departments to be recognized.
