Dr. Bridges provided the board with an explanation of the review of the classified management/confidential and certificated management salary schedules was due to an error made on the certificated management schedule where the percentages in longevity showed 2% at 15 years, 4% at 19 years, and 2% at 22 years. They should have read 1% at 15 years, 2% at 19 years and 1% at 22 years. In the classified management schedule, it showed longevity for 15, 20 and 25 years. This reflects the addition of 19 and 22 years of service.
