

AWARDS AND RECOGNITION

The Governing Board believes the district's employees are its most valuable resource and encourages recognition of the services they provide. The Superintendent or designee may issue service pins, certificates, plaques or other mementos in accordance with Board policy and administrative regulations.

In accordance with Education Code 44015, the Governing Board authorizes the Superintendent or designee to establish regulations governing employee awards.

The Governing Board believes that individuals and organizations deserve recognition when they provide contributions or longstanding service to the district. The Board believes that commending such service promotes increased community understanding and participation.

(cf. 1700 – Relations between Private Industry and the Schools)

The Superintendent or designee will establish procedures by which Board members, employees or members of the community may suggest persons or organizations for Board recognition. At the Superintendent or designee's discretion, letters of recognition, Board resolutions, a public ceremony, gift, plaques or awards may be presented.

The Board encourages similar forms of recognition for achievement or services as part of school-level commendation programs.
