Residency Based on Parent/Guardian Employment (Allen Bill Transfers)

District residency status may be granted to a student if at least one of his/her parents/guardians is physically employed within district boundaries for a minimum of 10 hours during the school week. No student seeking residency on this basis shall be denied enrollment based on race, ethnicity, sex, parental income, scholastic achievement, or any of the individual characteristics set forth in Education Code 220. However, the Superintendent or designee may deny enrollment into the district if any of the following circumstances is present: (Education Code 48204)

1. The additional cost of educating the student would exceed the amount of additional state aid received as a result of the transfer.
2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan as determined by the Governing Board.
3. Other circumstances exist that are not arbitrary.

Such circumstances may include, but are not limited to, overcrowding of school facilities at the relevant grade level.

Once a student establishes residency on this basis, he/she shall not be required to reapply for enrollment in subsequent years. The student may continue to attend school in the district through the highest grade level offered by the district if the parent/guardian so chooses and if at least one parent/guardian of the student continues to be physically employed by an employer situated within district boundaries, subject to the exceptions in items #1-3 above. (Education Code 48204)

The Superintendent or designee may deny a transfer out of the district by a student whose parent/guardian is employed within the boundaries of another district if the difference between the number of students entering and exiting the district on the basis of parent/guardian employment exceeds the limits prescribed in Education Code 48204. (Education Code 48204)

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

DISTRICT RESIDENCY

Proof of Residency

The district shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members for the purpose of determining residency within the district. (Education Code 234.7)

3. Utility service contract, statement, or payment receipt
4. Pay stub

7. Declaration of residency executed by the student's parent/guardian
8. If the student is an unaccompanied youth as defined in 42 USC 11434a, a declaration of residency executed by the student
9. If the student is residing in the home of a caregiving adult within district boundaries, an affidavit executed by the caregiving adult in accordance with Family Code 6552

(cf. 5141 - Health Care and Emergencies)

A parent/guardian seeking residency status on the basis of his/her employment within district boundaries shall submit proof of the employment which may include, but not be limited to, a paycheck stub or letter from his/her employer listing a physical address within district boundaries. Such evidence shall also indicate the number of hours or days per school week that the parent/guardian is employed at that location.

A student whose parent/guardian's departure from the state occurred against his/her will pursuant to item #10 in the section "Criteria for Residency" above shall be in compliance with district residency requirements if he/she provides official documentation of the parent/guardian's departure and evidence demonstrating that the student was enrolled in a public school in California immediately before moving outside the state. (Education Code 48204.4)

(cf. 6173.3 - Education for Juvenile Court School Students)

Failure to Verify Residency

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. (Education Code 48204.1)

If the Superintendent or designee, upon investigation, determines that a student's enrollment or attempted enrollment is based on false or unreliable evidence of residency, he/she shall deny or revoke the student's enrollment. Before any such denial or revocation is final, the parent/guardian shall be sent written notice of the facts leading to the decision. This notice also shall inform the parent/guardian that he/she may provide new material evidence of residency, in writing, to the Superintendent or designee within 10 school days. The Superintendent or designee shall review any new evidence and make a final decision within 10 school days.

Safe at Home/Confidential Address Program

When a student or parent/guardian participating in the Safe at Home program requests that the district use the substitute address designated by the Secretary of State, the Superintendent or designee may request the actual residence address for the purpose of establishing residency within district boundaries but shall use the substitute address for all future communications and correspondence and shall not include the actual address in the student's file or any other public record. (Government Code 6206, 6207)
