GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

Students in grades 5 through 8 must earn at least a 2.0 or C grade point average on trimester report cards in order to participate in extra/cocurricular activities.

(cf. 6145 - Extracurricular and Cocurricular Activities)

Teachers are encouraged to allow for trends in the quality of student work. When a student finishes a grading period doing high quality work which requires skills acquired throughout the grading period, low grades at the beginning of the grading period need not diminish the appropriate evaluation of the student's achievement. Similarly, high grades at the beginning need not compensate for a downward trend in achievement.

In kindergarten through third grade, teachers may use narrative descriptions to indicate the student's level of achievement and may also furnish examples of student work.

Criteria for determining grades for achievement may include but are not limited to:

1. Preparation of assignments, including accuracy, legibility and promptness
2. Contribution to classroom discussions
3. Demonstrated understanding of concepts in assessments
4. Application of skills and principles to new situations
5. Organization and presentation of written and oral reports
6. Originality and reasoning ability when working through problems

Repeated Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. The student shall receive credit only for taking the course once.

The highest grade received will be the permanent grade on the student's transcript.

Unexcused Absences

When an unexcused absence occurs, the student and parent/guardian shall be notified and informed of the district's policy regarding excessive unexcused absences. The student and parent/guardian shall have a reasonable opportunity to explain the absence. (Education Code 49067)

If the absence is not verified as excusable within 10 days, it shall be recorded as unexcused. The person receiving any explanation of the absence by the parent/guardian shall make a record of this explanation and the date when it was given.

If a student receives a failing grade because of unexcused absences, school records shall specify that the grade was given because of excessive unexcused absences. (Education Code 49067)
