A parent/guardian may request that the district waive the requirements of Education Code 305, pertaining to the placement of a student in a structured English immersion program if the one of the following circumstances exists:

1. **Students who already know English:** The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower. (Education Code 311(a))

2. **Older students:** The student is age 10 years or older, and it is the informed belief of the school principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills. (Education Code 311(b))

3. **Students with special needs:** The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the school principal and educational staff that the student has special physical, emotional, psychological or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311(c))

The parent/guardian shall personally visit the school to apply for the waiver. (Education Code 310)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

Upon request for a waiver, the Superintendent or designee shall provide to the parents/guardians:
(Education Code 310, 311; 5 CCR 11309)

1. A full written description, and a spoken description upon request, of the intent and content of the structured English immersion program, any alternative courses of study and all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices
2. For a request for waiver pursuant to Education Code 311(c) for students with special needs, notification that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the Superintendent must approve the waiver pursuant to Governing Board guidelines

Pursuant to Education Code 311(b) and 311(c), the principal and educational staff may recommend a waiver to a parent/guardian for a student 10 years or older and a student with special needs. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (5 CCR 11309)

When evaluating waiver requests pursuant to Education Code 311(a) for students who already know English and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include local assessments, local standards and teacher evaluations.

Parental exception waivers pursuant to Education Code 311(b) for students 10 years or older shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to Education Code 311(c) for students with special needs shall be granted if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

EDUCATION FOR ENGLISH LANGUAGE LEARNERS (continued)

Each waiver shall be considered on its individual merits with great deference given to parental preference for student placement.

The principal or designee shall act upon all parental exception waivers within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to Education Code 311(c) for students with special needs shall not be acted upon during the 30-day placement in an English language classroom. These waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR 11309)

All parental exception waivers shall be granted unless the principal and educational staff have determined that an alternative program offered at the school would not be better suited for the overall educational development of the student. (5 CCR 11309)

Individual schools in which 20 students or more of a given grade level receive a waiver shall be required to offer such a class; otherwise they must allow the students to transfer to a public school in which such a class is offered. (Education Code 310)

Students wishing to transfer shall be subject to the district's intradistrict and interdistrict attendance policies and administrative regulations. Students wishing to transfer to another district shall also be subject to the receiving district's interdistrict attendance policies and administrative regulations.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

In cases where a parental exception waiver pursuant to Education Code 311(b) or (c) is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

2. Recouped any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English language learners shall be redesignated as fluent English proficient when they are able to comprehend, speak, read and write English well enough to receive instruction in the regular program and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English language learner shall be reclassified as fluent English proficient: (5 CCR 11303)

1. Assessment of English language proficiency utilizing the CELDT as the primary criterion, and objective assessment of the student's English reading and writing skills
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions
3. Parent/guardian opinion and consultation during a redesignation interview

Parents/guardians shall receive notice and a description of the redesignation process, including notice of their right to participate in the process. Parent/guardian participation in the process shall be encouraged.

4. Comparison of performance in basic skills, including performance on the English-Language Arts section of the California Standards Test
5. Objective data on the student's academic performance in English

The Superintendent or designee shall provide subsequent monitoring and support for redesignated students, including but not limited to monitoring the performance of redesignated students in the core curriculum in comparison with their native-English speaking peers, monitoring the rate of redesignation, and ensuring correct classification and placement.

The Superintendent or designee shall develop a process to monitor the effectiveness of the district's program for English language learners. The district's program shall be modified as needed to help ensure language and academic success for each English language learner.

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)
