

Good evening Traina families,

We are just under a month from the end of the school year, and we don't want to let down in the final few weeks. Today your student's progress report grades were posted to the Aeries portal. See the directions below. We also remind you to remain diligent with protocols at and outside of school as we experienced our first cases of COVID on campus.

Third trimester progress report cards are now available to view through the parent portal in Aeries for First through Eighth grade. TK and Kindergarten progress reports were mailed home today. The Aeries Portal login is [Linked Here](#). If you do not remember your password you can use the forgot password link to reset it. If you have not yet logged into the Portal you will need to contact your school site for the access code to create an account.

To access the progress report card within Aeries parent portal, login to the portal.

- Select Grades from the list of options
- Then, click on Grades to view the 3rd Trimester Progress Report Card Grade
- There is a print button available on this page on the right

Please email your child's teacher for any questions or concerns regarding their progress. With distance learning, communication between parents and teachers is more vital than ever. We value your partnership in the success of your child's education. Families with 4<sup>th</sup> – 8<sup>th</sup> grade students can monitor individual student scores for assignments and assessments in the Aeries Parent Portal by logging into your account and accessing the Aeries Gradebook.

Aeries Parent Portal account users have the ability to switch between a new and old version while online. If you go to your account settings in the upper right hand corner, you will see that you can "Turn off Preview Mode" or "Preview the New Portal". We encourage you to use the new portal view!

Attached please find the weekly lunch menu link. Please fill out the form by Monday. You can make changes at any time up until 8:00 am the day of. All children ages 2-18 eat for free. You will find a place on the form to mark any extra meals that you will be picking up. All meals consist of breakfast for tomorrow and lunch for today. Children do not need to be present. Thank you for your support. Our program depends on it.
