

Good evening Traina families,

Summer is nearly upon us, the state is scheduled to re-open, and the Jefferson School District is slated to return to full in-person instruction next year. We are not out of this yet, but there is light at the end of the tunnel. I want to thank families for continuing to adhere to the CDC guidelines and school protocols. I also want to thank the community for their outpouring of support and love during staff appreciation week. Our teachers and the rest of the staff were treated so kindly and were spoiled as I believe they should be for the work they do with our kids. Thank you all very much.

- **Intent to return:** Parents who have **NOT** yet responded to our school district's intent-to-return survey will be emailed the link today. Please complete the survey **as soon as possible** so that we may plan for the 2021/2022 school year.
- **Pictures and Proofs:** We still have a lot of school pictures and proofs here in the office. Please come down to the office between 7:30-4 p.m. to pick up your child's pictures.
- **CAASPP Testing:** We wrapped up testing in a week's time with a few make-ups to do next week. That means our schedules will return to normal and services for students will continue. Thank you for your assistance in helping us survive testing in person and online at the same time.
- **In-person students:** This is a reminder to families of in-person students. All water fountains on campus are closed, so please send water with your students as needed in a personal water bottle.
- **Dismissal reminder:** Parents, please remember to stay in your car at dismissal. We will get your child for you and deliver them to you.

Attached please find the weekly lunch menu link. Please fill out the form by Monday. You can make changes at any time up until 8:00 am the day of. All children ages 2-18 eat for free. You will find a place on the form to mark any extra meals that you will be picking up. All meals consist of breakfast for tomorrow and lunch for today. Children do not need to be present. Thank you for your support. Our program depends on it.

Happy Mother's Day to all the moms out there and have a great weekend,

Mr. Silman
