DRESS CODE GUIDELINES

Jefferson District is noted for the outstanding appearance of its students. Wearing extreme fashions is not conducive to a quality educational atmosphere and has no place in Jefferson School District. In keeping with this philosophy of good style and taste, the following rules apply to all regular school activities:

1. Clothing should be in good repair and reflect modest taste.
2. Students are to come to school dressed for learning and for playing.
 - a. Shirts are not permitted to be low cut, strapless, off the shoulder, halter top or backless. Shirts without sleeves must have a strap that is equal to or greater than four of the student's fingers. All shirts must be long enough (without having to be pulled into place) so that they could be tucked in (and would realistically remain tucked in) if necessary. This rule applies regardless of changing weather throughout the warmer months.
 - b. All pants, shorts, skirts and dresses need to be an appropriate length and size so as not to expose a student's posterior or undergarments. Pants, shorts, skirts and dresses shall not be tight fitting or shorter than a student's extended fingertips. Pajama pants are not allowed except on designated spirit days. Leggings and yoga pants are allowed with an over garment that is fingertip length. Pants must fit at the waist and should not be more than one size too large, sagging is not permitted. Pants, shorts and skirts shall be free of holes above the extended fingertips.
 - c. Students need to wear shoes that will allow them to run and play. All footwear must have straps or enclosed backs. Flip flops and slippers are not allowed.
 - d. Students are not permitted to wear baseball caps, hats, knit caps, visors, and hoods in class, assemblies, or in any indoor school function. Outdoors, hats must be worn forward facing.
3. All clothing, jewelry, backpacks and other personal items shall be free of writing, pictures and/or other insignia which are crude, vulgar, profane, sexually suggestive, gang related, or depict nudity, or weapons. In addition, clothing or personal items shall not exhibit drug, alcohol or tobacco references, or advocate racial, ethnic or religious prejudice.
4. Any clothing or accessory that may be deemed dangerous, i.e. wallets with chains, steel-toes boots, items with spikes or studs, and belts worn long are unacceptable.
5. Any clothing which may be disruptive to the school environment or deemed offensive by school personnel is prohibited.

Students who are considered to be in violation of the Jefferson School District Dress Code shall be referred to the principal or the designee.

- a. First offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes.

- b. Second offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes. The student shall be assigned detention as determined appropriate by the principal or the designee.
- c. Third offense: The student's parent/guardian shall be contacted and may be asked to meet with school staff. The student will be required to wear loaner clothes or call home for a change of clothes. The principal or the designee shall assign the student ten hours of community service to be performed within thirty calendar days.
- d. Fourth and subsequent offenses: The student shall be suspended for a period of 1-5 days as determined by the principal or the designee.

The Bralette

Cold

The bralette and the cold shoulder style shirt are two recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule.

TB CLEARANCE PROCESS: The Jefferson School District Nurse is required to administer the Risk Assessment Questionnaire in person. Our district nurse, Tina Coverdale will be available the last **WEDNESDAY** of every month from 2:00 to 3:00 at the District Office. Anyone needing a TB assessment can drop in during that time for Nurse Tina to administer the questionnaire. .

Happy Birthday To You...

Traina School Library is happy to offer our Birthday Book Club! It's a great way to celebrate reading and commemorate special occasions. Traina families and staff have added more than 350 books to the shelves since we started in 2009!

It's called the Birthday Book Club, but you certainly aren't limited to celebrating birthdays. Celebrate just about any special occasion. A new addition to the family, a birthday, a graduation or significant achievement, a special anniversary. Even the memory of a loved one can be shared.

Simply pick up a Birthday Book Club form from the library, office or a teacher. Fill it out to let us know who and what you would like to honor and choose a book from the club's book case. Books vary in price but start as low as \$14.00 each. We will bill you for the book and, once paid, your student will get to present your gift to the library during their next library visit. Your student is also the first to check the book out if they'd like. The librarians will present your student with an official Birthday Book Club Member bookmark and a card for the occasion.

The book will also have a commemorative book plate placed on the inside front cover, sharing your special memory and generosity with all who read it.

A BOOK IS A GIFT THAT KEEPS ON GIVING!

Traina Library Thanks You!

Ident-A-Kid Visitor Management System

Jefferson School District received a grant to help implement the Ident-A-Kid Visitor Management System at our school. This is a system where visitors scan their drivers license and a background check is performed against the national sex offender registry prior to receiving a visitor badge. Tardy students and students leaving campus early will also use the system. **Please remember, when arriving on Traina campus you will be asked to scan your drivers license.** Thank you in advance for your cooperation and assistance in keeping our campus safe!

OOPS!

Did your student forget their lunch or homework? If a student forgets their lunch, homework, or any other item, please e-mail the teacher letting the teacher know the item is in the office for pick up. Unfortunately, the office will NOT be able to contact the teacher and/or student letting them know the item is in the office. Please arrange all communication prior to the start of the day. Parent Notification

September 24, 2019

Dear Parents/Guardians,

In order to provide a safe, secure and healthy environment for your child, Anthony Traina School updates its School Safety Plan each year. In addition to updating our written plan (which includes procedures for fire drills, earthquake drills, lockdown drills, etc.), Traina's School's staff makes sure that each classroom is equipped with a first aid kit and a copy of emergency procedures.

The evacuation site for Traina School is the playground field area with secondary evacuation location at the Holy Family Center. In the case of an emergency, students will be moved to the evacuation site in as safe and timely a manner as possible.

In the case of such an emergency, the Traina School Crisis Response team would operate the evacuation site to ensure a safe and orderly pick – up/release of students. **When picking up a student, parents/guardians must be sure to bring a photo I.D. such as a driver's license.** Without verification, staff will not release any student. In addition, no child will be released to anyone other than the persons designated on the emergency release instruction form returned by families at the beginning of the school year.

The Traina School's evacuation site is: The Playground Field Area

Address: 4256 Windsong Drive

Traina's Back-up Location is: **Holy Family Center -12100 Valpico Rd., Tracy Ca. 95377**
Location: Located half a mile from Anthony Traina School at 12100 Valpico Rd., Tracy, Ca. 95377.

If the school is involved in a lock-down situation, the secondary evacuation site is the designated meeting area where parents/guardians should wait for information and the eventual release of their student into their care. School and District personnel will be on site at the evacuation center to provide parents with information about the status and safety of their students. **DO NOT** go directly to the school in the event of a lock-down or evacuation. Parents/guardians can also listen to local media (KVON AM 1440; KVYN FM 99.3; KBBF FM 89.1) for the updates on the emergency situation, but your best source of up-to-date information will be at the evacuation site.

If you have further questions about Traina School's safety plan, please call the office at 209-839-2379.

Sincerely,

Ken Silman, Principal

Jefferson School District Employees:

This message is to inform you of the Jefferson School District's (JSD) plan in the event we are notified that electrical power may be shut off to the local area by Pacific Gas and Electric (PG&E), thus impacting our offices or school sites. JSD's intended flow of messaging may be somewhat different depending on the needs during an actual PG&E Public Safety Power Shutoff (PSPS).

ABOUT PG&E PUBLIC SAFETY POWER SHUTOFFS

Due to the increased intensity and frequency of wildfires in Northern California, the California Public Utilities Commission has required that the electrical grid be powered down in areas prone to fires in times of elevated risk. In response, PG&E may, at times, implement an expanded PSPS that may impact San Joaquin County.

PG&E has indicated it will provide notice 48 hours in advance of a planned power shutoff, when possible. Such notice will trigger the activation of JSD's three-phased response plan. During this response, you can expect email communications through our employee email system.

- **PHASE 1: 48 HOURS PRIOR TO PLANNED POWER SHUTOFF:** Early warning that PG&E has given 48-hour notification of a possible power shutoff and that JSD is monitoring the situation. Under most circumstances, JSD will not initiate closures of schools or offices based upon this 48-hour notification. At this point, please plan to report to work until you receive further notice.
- **PHASE 2: 24 HOURS PRIOR TO PLANNED POWER SHUTOFF:** You will receive an update informing you if the power shutoff has been cancelled/postponed or if it is still scheduled. If the power shutoff is still scheduled, you will be informed no later than 5 p.m. which schools and offices will be closed the following day. If your worksite will be affected, it is essential that all computers, printers, copiers, and fax machines are unplugged prior to the outage. **PLEASE NOTE:** Even during an extended power outage, some functions of JSD will continue and you may be expected to report to work. Your supervisor will communicate what is expected. At this point, please plan to report to work unless directed not to.
- **PHASE 3: DURING PLANNED POWER SHUTOFF:** You will receive daily email updates until the power is switched back on and schools and offices are back to business-as-usual.

POWER OUTAGE RESOURCES

At JSD, we believe that planning ahead is the best safeguard. With this in mind, we have provided more information and resources below to help you and your family prepare for an extended power outage. Please keep in mind that JSD employees affected by an extended power outage at home are expected to be prepared to attend work as regularly scheduled. All absences must be approved by a direct supervisor and reported in Frontline.
