ATTEND TODAY, ACHIEVE TOMORROW

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS
read well by the end of third grade

MIDDLE SCHOOLERS
pass important courses

HIGH SCHOOLERS
stay on track for graduation

COLLEGE STUDENTS
earn their degrees

WORKERS
succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

Happy Birthday To You...

Traina School Library is happy to offer our Birthday Book Club! It's a great way to celebrate reading and commemorate special occasions. Traina families and staff have added more than 350 books to the shelves since we started in 2009!

It's called the Birthday Book Club, but you certainly aren't limited to celebrating birthdays. Celebrate just about any special occasion. A new addition to the family, a birthday, a graduation or significant achievement, a special anniversary. Even the memory of a loved one can be shared.

Simply pick up a Birthday Book Club form from the library, office or a teacher. Fill it out to let us know who and what you would like to honor and choose a book from the club's book case. Books vary in price but start as low as \$14.00 each. We will bill you for the book and, once paid, your student will get to present your gift to the library during their next library visit. Your student is also the first to check the book out if they'd like. The librarians will present your student with an official Birthday Book Club Member bookmark and a card for the occasion.

The book will also have a commemorative book plate placed on the inside front cover, sharing your special memory and generosity with all who read it.

A BOOK IS A GIFT THAT KEEPS ON GIVING!

Traina Library Thanks You!

Traina School Library
"Birthday Book Club"
2018-2019

Dear Parents,

If you would like to purchase a book to be placed in our school library in honor of a special occasion or loved one, please sign and return this form. At a date close to your child's birthday, we will invite him/her to the library to select a book from the special "Birthday Book Club Case."

These hardcover books are priced from \$14.00 and up. If your child celebrates a May or summer birthday, or if it is for a different occasion, we will invite them in immediately to make their selection.

After your child has made their selection, you will be sent a Book Club Bill that includes the name of the book and its price. Once the book is paid for (checks payable to Traina School Library), your child becomes an official member!

As a member, a celebratory personalized book plate will be permanently placed inside the front cover of the book. During your child's class library visit, they will present the donation and are invited to be the first to check out their birthday book.

If you'd like, we would be happy to help you honor your child's teacher with a Book Club donation as well.

BOOKS ARE GIFTS THAT KEEP ON GIVING!

Happy Reading.

What you can do now is start looking through pictures and choosing your favorite memories of your graduate. Have fun!

If you have any questions, please feel free to contact the Traina School office at 209-839-2379.

ATTENTION 6TH GRADERS: The California Department of Public Health has implemented changes to requirements for students effective July, 2019. One of the major changes is that students are now required to show proof of 2 **varicella** immunizations. Therefore, in addition to getting the **Tdap** booster all incoming 7th graders need to ensure that they have 2 **varicella** immunizations. All new students who will be enrolling for the 2019-2020 school year will be required to have 2 **varicella** immunizations as well. Please turn in proof of receiving immunizations asap to the Traina office.

The Bralette Cold

The bralette and the cold shoulder style shirt are two recent fashion trends that have become very popular. Parents may be wondering if they are dress code compliant. Basically, with a bralette, the shirt worn on top of the bralette must meet the dress code requirements. For cold shoulder shirts, the shoulder straps must follow the 4-finger rule.

Ident-A-Kid Visitor Management System

Jefferson School District received a grant to help implement the Ident-A-Kid Visitor Management System at our school. This is a system where visitors scan their drivers license and a background check is performed against the national sex offender registry prior to receiving a visitor badge. Tardy students and students leaving campus early will also use the system. **Please remember, when arriving on Traina campus you will be asked to scan your drivers license.** Thank you in advance for your cooperation and assistance in keeping our campus safe!

CORRAL HOLLOW ROAD CLOSURE

TRACY HILLS

March 6, 2019

CONSTRUCTION UPDATE

Traffic Signal Activation at Tracy Hills Drive

On Wednesday, March 13, crews will activate the new traffic signal at Corral Hollow Road and Tracy Hills Drive. Once activated, the timing of the signal will cycle in order to avoid backups; however, local residents and the traveling public should anticipate extra delay during commute hours. ***Please pay attention to reader boards onsite and obey all traffic rules.***

The overall project is nearing completion. Crews still need to install a sanitary sewer structure at Parkside Drive and then slurry seal Corral Hollow Road from Parkside Drive to W. Linne Road, followed by striping. This work was delayed due to weather constraints and is now expected to be complete by late spring/early summer 2019. Work will not require a road closure or detour; although motorists should expect traffic control, flaggers and a lane shift.

What to Expect

During construction, public safety remains a top priority. Access to properties will be maintained at all times. Open trenches will be covered using steel plates at the end of work shifts. Local residents and the traveling public should anticipate extra delay during commute hours. ***We apologize for the traffic impacts this work has caused and thank you for your continued patience.***

Dear Jefferson School District Parent/Guardian:

As part of the 7th Grade Science Class, we will be starting a comprehensive sexual health and family life education unit. California state law requires HIV and comprehensive sexuality education be taught in middle school and in high school. The District shall follow state laws (Education Code 51930 - 51939). The instructional unit will be taught by trained school district personnel and will begin on April 15, 2019 through May 29, 2019.

There will be a parent preview meeting where you will have the opportunity to view the curriculum to be used this year. Teachers will provide an overview of the lessons, simulate classroom activities, and answer questions. Curriculum will be available to examine.

**JSD Parent Preview Night
Tuesday, March 26, 2019
6:00 pm to 7:00 pm
District Office Board Room
1219 Whispering Wind Drive, Tracy, CA 95377**

Teen Talk Middle School is a comprehensive sexuality education course designed to provide an open forum for teenagers to ask questions and get medically-based, accurate, and unbiased information. Teen Talk Middle School complies with California Education Codes 51930-51939 (California Healthy Youth Act of 2015) and meets the California Health Education Content Standards under Growth, Development, and Sexual Health.

Teen Talk Middle School covers the following areas:

- Values Clarification
- Sexual and Reproductive Anatomy
- Abstinence/Not Having Sex
- Parent/Guardian Communication *Be prepared for a homework assignment which involves your child discussing these issues with you.
- Healthy Relationships
- Birth Control, including a condom demonstration
- Pregnancy Options
- Sexually Transmitted Infections, including HIV
- Sexual Safety, Consent, and the Law
- Sexuality Orientation, Gender Identity, and Expression
- Sex in the Media
- Communication and Decision-Making

All lessons are taught in a mixed - gender environment to foster respect and tolerance among all genders. A pre-/post-assessment will be administered at the beginning and end of the course. The assessment tests sexual health knowledge that will be covered during the course as well as questions about student comfort and confidence in communicating about sexual health topics with peers, partners, and trusted adults.

If you are not able to attend the parent preview night and want to examine instructional materials, including assessments, please contact the school district office or your child's classroom teacher to make an appointment to do so. If you have questions, please see your child's teacher or principal. State law allows you to remove your student from all or part of a comprehensive sexual health education course. **If you do not want your student to participate in this sexual health course, please provide a note to your student's Science Teacher by April 5, 2019.**

The goal of a comprehensive sexual health education program is to help students learn the facts and use their knowledge to make good decisions now and later in life. We believe parents and guardians are the best educators of their children. During this unit of study, we will be sending home activities which will encourage discussions about family life issues and postponing sexual involvement. These activities will give you the opportunity to discuss the information covered in class.

If you have any questions, please call or email your student's Science Teacher. We look forward to seeing you at the parent preview meeting.

Sincerely,

Sarah Steen
