If a student misses 2 days of school per month, they are missing over 10% of their school year!

The importance of daily school attendance must start at home, stressing the value of a consistent educational experience. It is vital for the Jefferson School District to build on this value, maintaining an essential partnership between school and home, to ensure punctual daily school attendance is a priority. Absent work completed at home is not a sufficient substitute for the quality instructions received while present in class.

Should your child need to be absent, California Education Code allows **EXCUSED** absences for the following reasons:

- Illness
- Medical/Dental Appointment
- Quarantine
- Funeral of Family Member
- To spend time with student's immediate family member who is an active duty member of the uniformed services.
- Participation in religious exercise

Please call the school at 209-833-9300 if your child is absent for ANY REASON.

The parent/guardian of the student must phone or send a note to clear any of these excused absences. The answering machine is activated after school hours for your convenience, and is checked at the start of the next school day. Failure to excuse your students' absence will result in a recorded truancy on the student's permanent record.

Being absent for any of the following reasons will result in an **UNEXCUSED** absence:

- Personal Days
- Going shopping
- Visiting Relatives
- Student's Birthday
- Oversleeping
- Childcare by the student at home
- Car Trouble
- Vacation
- Family moving from one home to another
- Cutting school

Education Code 4820: Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)
