### A message from the principal...

Good Evening Monticello Families,

A huge thank you to everyone involved and that supported last week's carnival. It was such an amazing event. This week, our first graders had the opportunity to go on a field trip to the pumpkin patch. For many students it was their first time riding a school bus. Everyone came back with huge smiles and a pumpkin! Next week kicks off Red Ribbon Week. Our Monday spirit day is Twin Day! If you need a twin partner, the office is wearing Monticello spirit and we would love to match you! Please see the picture later in the newsletter for the rest of the week's spirit days. The Halloween parade is coming, Monday, October 31st at 8:45 am. Families are invited to come on campus to celebrate this traditional event. The campus will close following the parade, volunteers that are staying on campus will need to sign in at the office.

Thank you,

Mrs. Bunch

# Reminders:

- Please keep your child home if they are not feeling well: fever, cough, loss of taste or smell, nausea or vomiting, diarrhea, excessive fatigue, sore throat, runny nose/congestion, chills, severe headache, shortness of breath.
- All classwork and homework is available for students that are unable to be at school.
- If your child has medicine that needs to be kept at school, all forms need to be filled out by your child's doctor each year.

**Please send any pictures you have from the carnival to Mrs. Marchini @ [hmarchini@jsdtracy.com](mailto:hmarchini@jsdtracy.com) so we can add them to the yearbook!**

## UPCOMING DATES:

October 24-31: Red Ribbon Week - see spirit days below

October 31 - Halloween Parade at 8:45am

-----  
Every Wednesday - Minimum Day!  
1:30 PM Release - All grades

Mon., Tues., Thurs., Fri.  
TK-3rd Gr. - 2pm release  
4th Gr. - 3pm release

**REMINDER: If your child is going to be absent for any reason, please email Michelle Zabaldo, Monticello's Attendance Clerk at [mzabaldo@jsdtracy.com](mailto:mzabaldo@jsdtracy.com) each day your student is absent.**

## **TAKE PAWS FOR GOOD DEEDS**

**The following students have been recognized for doing good deeds here at Monticello. Good job, keep up the GREAT work!!**

**MAYA SHARMA - 2ND GRADE**

**SHREEYA VYAS - 2ND GRADE**

Dear Families,

Welcome to Monticello! We are Mrs. Anderson and Mrs. Million, your child's librarians. We are so excited to help your child find books they love! Your child will come to the library once a week for a story and check out time. Students must return or renew all of their books the following class in order to get new books. If a book is lost or damaged beyond use, a fine will be charged to replace the book.

How many books students are allowed: Kindergarten – 1 book (after winter break, 2 books). First and second grade – 2 books. Third and fourth grade – 3 books.

All students can check out any books they want. Third and fourth grade students must choose at least one chapter book.

Please do not hesitate to contact us with any questions. We are excited for a new year and to share books with your child!

Mrs. Anderson

[kianderson@jsdtracy.com](mailto:kianderson@jsdtracy.com)

Mrs. Million

[cmillion@jsdtracy.com](mailto:cmillion@jsdtracy.com)

Just a friendly reminder that NO  
DOGS are allowed on campus.

## Know the Dangers of Fentanyl

With Halloween approaching it is more important than ever that parents inspect all candy and treats being provided to their children. Brightly-colored fentanyl, referred to as rainbow fentanyl, has been identified as a new trend in the United States by the DEA. Rainbow fentanyl can be found in many forms, including pills, powder, and blocks that can resemble sidewalk chalk or candy. Fentanyl can be disguised in Skittles, mints, and other hard candies. Rainbow fentanyl, like all forms of fentanyl, is extremely potent and dangerous.

Did you know that fentanyl overdose deaths are on the rise in San Joaquin County? Fentanyl is a synthetic opioid that is up to 50 times stronger than heroin and 100 times stronger than morphine. Fentanyl-laced drugs and fake prescription pills containing fentanyl are available online and in our communities. People often **don't know** that they are taking fentanyl or how much fentanyl a drug contains. Even in small doses, fentanyl can be deadly.

Too many San Joaquin County residents, including teens, have suffered from overdoses of fentanyl or other synthetic opioids. As part of a collaboration of education, law enforcement, public health, and other organizations, we are coming together to say that **enough is enough**. We need your help to keep youth safe from this dangerous drug. You can help by getting informed and **talking to your student about the dangers of fentanyl and drug use**.

- Just a few grains of fentanyl can be a lethal dose.
- Prescription fentanyl is a powerful medical synthetic opioid prescribed in carefully monitored dosage for extreme pain or end-of-life care.
- Counterfeit pills, obtained on the street or online, can contain deadly doses of fentanyl. They are made to resemble other prescription medications, such as OxyContin, Percocet, Vicodin, Xanax, or Adderall. They are available to anyone with a smartphone.
- In San Joaquin County, fentanyl-related overdose deaths among teens ages 15 to 19 increased by 300% between early 2020 and the first half of 2021. This age group has the second-highest rate of emergency department visits for fentanyl-related overdoses when compared to all other age groups, according to the most-recent data available.
- Providing drugs causing a fatal overdose may result in criminal prosecution.
- Signs of a fentanyl overdose include difficulty waking up, slowed breathing, confusion, and blue or pale lips and fingernails.
- If you think someone is overdosing, call 911 immediately. (Under state law, a person overdosing and the person calling for help are protected from legal trouble.) If available, administer Naloxone, a life-saving medication to reverse the effects of opioid overdose. It is available free to the public at [San Joaquin County Public Health Services](https://www.sjcopioidsafety.org).

**Fatal dose of fentanyl.**

The lethal potency of fentanyl and its easy availability increases the already risky behavior of recreational drug use. There is no such thing as a safe street drug, and it is dangerous to misuse prescription drugs. Be aware. Be informed. Be safe. Learn more about opioid use, where to get help, and the Fentanyl is Forever awareness campaign at [www.sjcopioidsafety.org](https://www.sjcopioidsafety.org).

# Don't let the flu get the best of you.

Get vaccinated at a **FREE** community flu shot clinic.  
Available for those 6 months of age or older. First come, first served.

**Saturday, October 22, 9 a.m. – 12:00 p.m.**

**Saturday, November 19, 9 a.m. – 12:00 p.m.**
