Principal's Message...

Upcoming Dates

Dear Jefferson School District Parents, Guardians and Community Members:

In 2013, the state of California adopted a new formula for funding public education called the Local Control Funding Formula (LCFF). As part of the LCFF requirements, school districts must develop, adopt, and annually update a three-year plan called The Local Control Accountability Plan (LCAP). The LCAP describes goals, actions, services, and expenditures that meet state and local priorities in serving students. This new system is designed to provide more local control over spending to help all students achieve at high standards, provide schools with exceptional climates, and involve parents and the community as active participants in student learning. Districts are required to develop the LCAP and update the plan annually, utilizing community input.

As part of our district's continuing effort to acquire students, parents, guardians and community input on the LCAP, Jefferson Elementary School District will hold community forums to gather feedback from you to incorporate into the plan. At the forum you will have the opportunity to provide input on conditions of learning, student achievement, and student / parent engagement. Over the past few years, Jefferson Elementary School District has implemented a number of efforts to address these areas, but we know more work needs to be done.

You are invited to attend Jefferson Elementary School District Community Forums for Parents, Guardians, Community Members, Students, and Staff. There are two meeting locations and times to choose from on Tuesday, February 25, 2020:

- 3:30 – 5:00 pm, at the Tom Hawkins School Library
- 6:00 – 7:30 pm, at the Monticello School Multi-Purpose Room

If you have any questions, please contact me at (209) 836-4531 or ssteen@jsdtracy.com.

Sincerely,
Sarah Steen

Gifted and Talented Education (GATE) – OLSAT Testing 2019-2020

Spring GATE Testing 3rd – 7th Grade: March 18
2nd Grade Testing: April

There are three ways to qualify for GATE in Jefferson Elementary School District: Earn a qualifying score on the Otis-Lennon School Ability Test (OLSAT), meet the district CAASPP Score criteria, or through the teacher recommendation / portfolio process. Gifted and Talented Education (GATE) testing is open to second through eighth graders who have not taken the OLSAT 8 in the past three years.

Jefferson Elementary School District provides 2nd – 8th grade students the opportunity to participate in an assessment used for identifying Gifted and Talented Education (GATE) students. Currently, the Otis-Lennon School Ability Test, Eighth Edition (OLSAT-8) is available two times each school year: Fall and Spring. Beginning in the 2018-2019 school year, JSD will test all second grade students to be considered for GATE. This is part of a District-wide plan to address the disproportionate number of underrepresented student populations identified as gifted and capture students who may be overlooked using the past practice. The testing schedule can be found below for each school site.

Parents are responsible for student transportation if participating in the after school test. If you would like your child to participate in the upcoming GATE testing, please contact the school office and ask for a GATE application or go to the Jefferson School District Website (www.jeffersonschooldistrict.com) for the application.

Spring Testing Schedule: The application must be completed and returned to the school office by: Friday, March 6th

Over the past 3 weeks the library has read The California Young Reader nominated books to the students of Monticello. They all were given the honor of voting for their favorite book. Monticello's top pick was for the book "Can I Be Your Dog?" These votes will now be submitted to the California Young Reader Board and will be counted among the other California schools in the state. The winner for the state will be announced later this year. Please ask your child about the books they've read and the book they chose. The Monticello Library would like to thank the MJPPA for purchasing the books for this fantastic program and always supporting our mission to encourage our students to develop a love of reading.

For SIBLINGS of Monticello Students

❖ Every Monday

❖ Monticello Library

❖ 8:15 a.m. to 9:00 a.m.

Start time begins following morning announcements.

If a student misses 2 days of school per month, they are missing over 10% of their school year!

The importance of daily school attendance must start at home, stressing the value of a consistent educational experience. It is vital for the Jefferson School District to build on this value, maintaining an essential partnership between school and home, to ensure punctual daily school attendance is a priority. Absent work completed at home is not a sufficient substitute for the quality instructions received while present in class.

Should your child need to be absent, California Education Code allows **EXCUSED** absences for the following reasons:

- Illness
- Medical/Dental Appointment
- Quarantine
- Funeral of Family Member
- To spend time with student's immediate family member who is an active duty member of the uniformed services.
- Participation in religious exercise

Please call the school at 209-833-9300 if your child is absent for ANY REASON.

The parent/guardian of the student must phone or send a note to clear any of these excused absences. The answering machine is activated after school hours for your convenience, and is checked at the start of the next school day. Failure to excuse your students' absence will result in a recorded truancy on the student's permanent record.

Being absent for any of the following reasons will result in an **UNEXCUSED** absence:

- Personal Days
- Going shopping
- Visiting Relatives
- Student's Birthday
- Oversleeping
- Childcare by the student at home
- Car Trouble
- Vacation
- Family moving from one home to another
- Cutting school

Education Code 4820: Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)
