What an amazing turnout we had at this year's TK/Kindergarten Round-Up! We had almost 50 incoming TK/Kindergarten students and families attend. I'd like to extend a huge **THANK YOU** to our amazing staff for putting on such a wonderful event. I cannot wait to welcome all of our new students to the Monticello family for the 2019-2020 school year.

Once again, our fourth grade classes attended an amazing field trip to see The Modesto Symphony Orchestra. What a wonderful experience for our students. I want to extend a huge thank you to our music teacher, Scott Huber, for putting this field trip together.

This Friday will be a busy day. In the morning we will be celebrating our students and their Trimester 2 accomplishments. Our students continue to make me proud as they display exemplary effort, citizenship and academic abilities each and every day. Way to go Jaguars!! On Friday evening, I hope you will be joining us for our parent and child "Under the Sea Glow Dance." I look forward to seeing you there.

CONSTRUCTION UPDATE

Traffic Signal Activation at Tracy Hills Drive

On Wednesday, March 13, crews will activate the new traffic signal at Corral Hollow Road and Tracy Hills Drive. Once activated, the timing of the signal will cycle in order to avoid backups; however, local residents and the traveling public should anticipate extra delay during commute hours. ***Please pay attention to reader boards onsite and obey all traffic rules.***

The overall project is nearing completion. Crews still need to install a sanitary sewer structure at Parkside Drive and then slurry seal Corral Hollow Road from Parkside Drive to W. Linne Road, followed by striping. This work was delayed due to weather constraints and is now expected to be complete by late spring/early summer 2019. Work will not require a road closure or detour; although motorists should expect traffic control, flaggers and a lane shift.

What to Expect

During construction, public safety remains a top priority. Access to properties will be maintained at all times. Open trenches will be covered using steel plates at the end of work shifts. Local residents and the traveling public should anticipate extra delay during commute hours. ***We apologize for the traffic impacts this work has caused and thank you for your continued patience.***

IT'S THAT EASY!!!

Online ordering ends March 22

If a student misses 2 days of school per month, they are missing over 10% of their school year!

The importance of daily school attendance must start at home, stressing the value of a consistent educational experience. It is vital for the Jefferson School District to build on this value, maintaining an essential partnership between school and home, to ensure punctual daily school attendance is a priority. Absent work completed at home is not a sufficient substitute for the quality instructions received while present in class.

Should your child need to be absent, California Education Code allows **EXCUSED** absences for the following reasons:

- Illness
- Medical/Dental Appointment
- Quarantine
- Funeral of Family Member
- To spend time with student's immediate family member who is an active duty member of the uniformed services.
- Participation in religious exercise

Please call the school at 209-833-9300 if your child is absent for ANY REASON.

The parent/guardian of the student must phone or send a note to clear any of these excused absences. The answering machine is activated after school hours for your convenience, and is checked at the start of the next school day. Failure to excuse your students' absence will result in a recorded truancy on the student's permanent record.

Being absent for any of the following reasons will result in an **UNEXCUSED** absence:

- Personal Days
- Going shopping
- Visiting Relatives
- Student's Birthday
- Oversleeping
- Childcare by the student at home
- Car Trouble
- Vacation
- Family moving from one home to another
- Cutting school

Education Code 4820: Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)
