Principal's Message...

*September is
Attendance Awareness Month*

*Our attendance rate this
week was 97.7%!*

Way to go Monticello Families!

We currently have a Lunch Campus Aide position open on our campus. If you, or someone you know, is interested in being in a part of the Monticello family, please visit the following website: <https://www.edjoin.org/Home/DistrictJobPosting/1204649> All applications are due by next Friday, September 13th.

Please remember that there is **NO PARKING** in the pick-up and drop-off loop, nor in the Bus loading zone. If you need to exit your car for any reason, please park in a designate parking spot, or along the street. It is a safety issue, as it backs up traffic. The safety of our students and families walking to their cars or home is of utmost importance. Thank you for your cooperation.

 *Mrs. Stroup*

21st Century Mathematics for Parents (TK-12)

The California Mathematics Standards prepare students to do real math in the real world. Many **new teaching methods are very different from the way most parents learned math**, leading to frustration and confusion as parents find themselves unable to help with homework or explain difficult concepts. It is extremely important to create a **partnership between educators and parents** involving the teaching and learning of math. This 3 hour session will help you:

- Learn **why the New Standards were developed** and how you, as parents can **support your child** in order to ensure that they **thrive in the 21st Century**.
- Understand why making the **shift is crucial for your child's success**
- **Experience math learning** using the new teaching methods
- Learn the **resources** available to understand the shifts
- **Communicate** more effectively with your child's teacher
- **explore the big ideas** behind the new 21st Century math standards

These standards were designed to **improve college-and career-readiness, and to prepare U.S. students to be more competitive on an international stage when it's time to enter the workforce**. This session shows you how the standards were created, and how they've **evolved over time to help ensure your child's future success**. **Math skills are critical to real-world success**, and the new standards reflect that reality in scope and rigorousness. This 3 hour session will help you help your **child succeed**.

➔ **No cost for this training.**

If a student misses 2 days of school per month, they are missing over 10% of their school year!

The importance of daily school attendance must start at home, stressing the value of a consistent educational experience. It is vital for the Jefferson School District to build on this value, maintaining an essential partnership between school and home, to ensure punctual daily school attendance is a priority. Absent work completed at home is not a sufficient substitute for the quality instructions received while present in class.

Should your child need to be absent, California Education Code allows **EXCUSED** absences for the following reasons:

- Illness
- Medical/Dental Appointment
- Quarantine
- Funeral of Family Member
- To spend time with student's immediate family member who is an active duty member of the uniformed services.
- Participation in religious exercise

Please call the school at 209-833-9300 if your child is absent for ANY REASON.

The parent/guardian of the student must phone or send a note to clear any of these excused absences. The answering machine is activated after school hours for your convenience, and is checked at the start of the next school day. Failure to excuse your students' absence will result in a recorded truancy on the student's permanent record.

Being absent for any of the following reasons will result in an **UNEXCUSED** absence:

- Personal Days
- Going shopping
- Visiting Relatives
- Student's Birthday
- Oversleeping
- Childcare by the student at home
- Car Trouble
- Vacation
- Family moving from one home to another
- Cutting school

Education Code 4820: Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)
