Important Update: BEFORE SCHOOL PROCEDURES

The feeling of family and community on the Monticello campus is one of our best qualities. In the mornings, many parents walk their children to class, and socialize with other families. This demonstrates that there is great strength in our social community.

In a continued effort to ensure the safety of our students, beginning this Monday, October 3rd, parents will no longer be able to enter the classroom in the morning with their student. Students should be entering the classroom independently following the 8:10am bell, with the expectation that they are in their classroom, ready to learn at 8:15am. Any parents entering a classroom should only do so if they have checked in at the office and are wearing a Visitor/Volunteer badge, and have made prior arrangements with the teacher to be visiting/volunteering in the classroom. In addition to safety, we are working hard to instill independence and responsibility in all of our students, encouraging them to actively participate in their education, and teaching them to be prepared to start their day at 8:15am when the bell rings. Feel free to continue to walk your student(s) to class in the morning, but please say your goodbyes at the door at 8:10.

Please contact the office or Mrs. Stroup with any questions or concerns.

Join Girl Scouts today!

The Girl Scout Leadership Experience is built on the following three principles: **Discover**, **Connect** and **Take Action**. Through activities that emphasize the **Discover** principle, girls learn that leadership is an act of self-discovery and work to understand more about their own values and skills. During **Connect** activities, they recognize that a leader should be able to work with others. When the girls **Take Action**, they understand the importance of leadership in making the world a better place.

GIRL SCOUT DNA

Girl Scouts are more likely than non-Girl Scouts to...

Ways to Participate:

If a student misses 2 days of school per month, they are missing over 10% of their school year!

The importance of daily school attendance must start at home, stressing the value of a consistent educational experience. It is vital for the Jefferson School District to build on this value, maintaining an essential partnership between school and home, to ensure punctual daily school attendance is a priority. Absent work completed at home is not a sufficient substitute for the quality instructions received while present in class.

Should your child need to be absent, California Education Code allows **EXCUSED** absences for the following reasons:

- Illness
- Medical/Dental Appointment
- Quarantine
- Funeral of Family Member
- To spend time with student's immediate family member who is an active duty member of the uniformed services.
- Participation in religious exercise

Please call the school at 209-833-9300 if your child is absent for ANY REASON.

The parent/guardian of the student must phone or send a note to clear any of these excused absences. The answering machine is activated after school hours for your convenience, and is checked at the start of the next school day. Failure to excuse your students' absence will result in a recorded truancy on the student's permanent record.

Being absent for any of the following reasons will result in an **UNEXCUSED** absence:

- Personal Days
- Going shopping
- Visiting Relatives
- Student's Birthday
- Oversleeping
- Childcare by the student at home
- Car Trouble
- Vacation
- Family moving from one home to another
- Cutting school

Education Code 4820: Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)
