Dear Jefferson Families,

When it comes to social media, it can be challenging for parents. On one hand the children are experiencing freedom and making their own choices, but on another hand we want to protect them from the scariness that is out there. Some of you saw this information before, and if so, it is worth seeing again and good information to have at your fingertips. At prior assemblies, Tracy High spoke about bully prevention, what to do if students need help, the importance of parent-child communication, online safety, and kindness. One specific detail they spoke about was an app called Secret Calculator. I mention this to you, so as parents, we can be informed and monitor social media. The Secret Calculator does the following and can hide a lot of information from you:

- Secret Calculator Pro hides your photos & videos behind a working calculator.
- Everyone will think this app is just an ordinary calculator. What they won't know is that you can enter a PASSCODE to access secret photos & videos!
- Even the icon on your phone will look like a calculator, so no one will suspect you're trying to hide anything in the first place!
- FEATURES:
 - Discrete app icon
 - Fully functional calculator
 - Take private photos/videos from within the app!
 - Import content from your iPhone/iPod
 - Export content to your iPhone/iPod (no lock-in)
 - Create custom albums for your photos/videos
 - Fully customizable slideshows
 - Multi-touch gestures: zoom and swipe
 - Both Normal and Decoy modes
 - Share via Email or MMS
 - Supports copy/paste
 - Stylish, yet easy to use interface

If you are aware of other apps or information that our families should know about, please reach out to me so we can utilize this platform to share information with each other.

Our annual Jefferson Art Show will be held at the beginning of February in our library. We are encouraging our students to start creating their masterpieces. 2D and 3D art are welcome and all mediums are acceptable (pencil, charcoal, oil-pastels, watercolors, acrylic paint, chalk, etc.). 2D art must be no larger than 22" by 24" and 3D art must be no more than 24" in any direction and fewer than 25 pounds. Art can be submitted to the office and students need to write their name, grade and core teacher on the back. For more information, please contact Mrs. Gleason at sgleason@sjcoe.net. The winners of our art show will have their art showcased at the Haggin Museum (<http://hagginmuseum.org/>).

The oral interpretation fair will be taking place on Saturday, February 2nd at 1:00pm in the Jefferson Gym. Oral Interpretation is the expression and sharing of literature with an audience. Students have chosen pieces of literature to memorize and perform. This is a great event to come and watch and we hope to see you there!

Thank you for your continued support, communication, and taking the time to read the Jefferson newsletter. Feel free to contact me at any time at awooten@sjcoe.net or (209) 835-3053 with any questions, comments, or suggestions.

Sincerely,

Alyssa Wooten

Queridas familias de Jefferson,

Cuando se trata de medios sociales, puede ser difícil para los padres. Por un lado, los niños disfrutan de la libertad y de tomar sus propias decisiones, pero por otra parte queremos protegerlos del peligro que está ahí fuera. Algunos de ustedes vieron esta información antes y, si es así, vale la pena ver la de nuevo y buena información para tener al alcance de tu mano. En anteriores asambleas, Tracy High habló sobre prevención de intimididad, qué hacer si los estudiantes necesitan ayuda, la importancia de la comunicación padres-hijo, de seguridad y amabilidad cuando usan la computadora. Un detalle específico de lo que hablaron fue el secreto llamado app Calculadora. Menciono esto para usted, así como padres, podemos estar informados y supervisar los medios de comunicación social. El secreto calculadora hace lo siguiente y puede ocultar un montón de información de usted:

- Calculadora secreto Pro oculta tus fotos & videos detrás de una calculadora.
- Todo el mundo piensa esta app es una simple calculadora. Lo que no saben es que se puede introducir una contraseña para acceder a fotos y videos secretos!
- Incluso el icono del teléfono será similar a la de una calculadora, así que nadie va a sospechar que estás tratando de ocultar nada en el primer lugar!
- Características:
 - Icono app discretos
 - Calculadora completamente funcional
 - Tome fotos privadas/videos desde dentro de la aplicación!
 - Importar contenido desde tu iPhone/iPod
 - Exportar contenido a tu iPhone/iPod (no bloqueado)
 - Crear álbumes personalizados para tus fotos/vídeos
 - Presentaciones completamente personalizables
 - Gestos multitáctiles: el zoom y el pase
 - Los modos normal y Decoy
 - Compartir por correo electrónico o MMS
 - Admite copiar/pegar
 - Elegante interfaz fácil de usar.

Si usted tiene conocimiento de otras aplicaciones o información que deben de saber nuestras familias, por favor contacte se conmigo para que podamos utilizar esta plataforma para compartir información con todos.

Nuestro Jefferson Muestra de Arte anual se celebrará a comienzos de febrero en nuestra biblioteca. Estamos preparando a nuestros estudiantes para comenzar a crear sus obras maestras. 2D y 3D arte son bienvenidos y todos los medios son aceptables (lápiz, carbón, petróleo-pastel, acuarela, pintura acrílica, tiza, etc.). 2D arte no deben ser mayores de 22" por 24" y arte 3D no debe ser más de 24" en cualquier dirección y menos de 25 libras. El arte puede ser presentado a la oficina y los estudiantes necesitan escribir su nombre, grado y profesor básico en la espalda. Para obtener más información, póngase en contacto con Sra. Gleason en sgleason@sjcoe.net. Los ganadores de nuestro show de arte tendrá su arte exhibido en el Museo Haggin (<http://hagginmuseum.org/>).

La feria de interpretación oral tomara lugar el sábado 2 de febrero a las 1:00pm en el gimnasio de Jefferson. La interpretación oral es la expresión y el intercambio de publicaciones con una audiencia. Los estudiantes han

escogido piezas de literatura para memorizar y realizar. Este es un gran acontecimiento para venir y ver y esperamos verle allí!

Gracias por su continuo apoyo, comunicación, y por tomar el tiempo para leer el boletín de Jefferson. No dude en ponerse en contacto conmigo en cualquier momento a awooten@sjcoe.net o (209) 835-3053 con cualquier pregunta, comentarios o sugerencias.

Atentamente,

Alyssa Wooten

Principal

Construction

There will be construction being taken place on
Linne/Chrisman intersection on
Monday, January 28 from 8:00am-4:00pm
Please plan accordingly.

We have reopened the window to purchase a yearbook
until Wednesday, January 30th. Yearbooks will be
delivered to school and distributed during the last
week in May.

Please go to www.yearbookordercenter.com
