Dear Jefferson Families,

Thank you to all that joined us for Parent Teacher Conferences. We are proud of the successes students have shown so far this year, and we are ready to continue working hard to ensure the students are mastering standards, expanding their minds through inquiry and character education, and work with families to create the best educational experience! Jefferson School's teachers sure do go above and beyond and it is apparent through all of the conversations you had with them over this past week.

The Jefferson Monticello Carnival is Friday, October 12th from 3:00 – 7:30 at Monticello School. The school is putting together carnival baskets to help earn funds for our school. Please see the basket themes below and send any new items to school to help. Send all items in prior to this Friday so the teachers have time to put the baskets together.

We are striving to get our attendance rates up. Please do everything you can to get your child to school and on time! This is extremely important and provides consistency for your child. Furthermore, they don't miss out on anything. So, take the pledge to do everything you can to have your child at school, every day, and on time! If your child is absent, we lose approximately \$48 per day. This adds up quickly and directly impacts our funding.

This year Jefferson School has five open seats on our School Site Council (SSC) and we are looking for candidates interested in serving a two-year term. The Jefferson School Site Council researches strategies and procedures to support the school in its improvement efforts. The council helps develop, implement and evaluate a school plan that coordinates the application of categorical funds based on the requirements of the School-Based Program Coordination Act. The School Site Council provides all students, including students with special needs, with an enriched instructional program at Jefferson School.

If you are interested in running for School Site Council, please submit a short (300 words or less) blurb explaining who you are and why you would like to be on School Site Council. Please submit your information to awooten@sjcoe.net as soon as possible. Thank you for your interest in helping Jefferson School continue to achieve excellence. Our first SSC

meeting will include a vote for officers. It will take place in the Jefferson Conference Room on Wednesday, October 10th from 3:15 – 4:15.

Thank you for your continued support, communication, and taking the time to read the Jefferson newsletter. Feel free to contact me at any time at awooten@sjcoe.net or (209) 835-3053 with any questions, comments, or suggestions.

Sincerely,

Alyssa Wooten, Principal

Dear Parents/Guardians,

In order to provide a safe, secure and healthy environment for your child, Jefferson School updates its School Safety Plan each year. In addition to updating our written plan (which includes procedures for fire drills, earthquake drills, lockdown drills, etc.), Jefferson School's staff makes sure that each classroom is equipped with a first aid kit and a copy of emergency procedures.

The Jefferson School Crisis Response team will operate the evacuation site to ensure a safe and orderly pick-up/release of students. **When picking up a student, parents/guardians (or person on emergency card) must bring a photo I.D.** Without verification, staff will not release any student.

Jefferson School's onsite evacuation/reunification area: Cafeteria

**Jefferson's secondary off site evacuation/reunification site: Dynatect
Address: 8830 W. Linne Road, Tracy CA 95304**

If the school is involved in a lock-down situation, the secondary evacuation site is the designated meeting area where parents/guardians should wait for information and the release of their student into their care. School and District personnel will be on site at the evacuation center to provide parents with information about the status and safety of their student(s). **DO NOT** go directly to the school in the event of a lock-down or evacuation. Parents/guardians can also listen to local media for the updates on the emergency situation, but your best source of up-to-date information will be at the evacuation site.

If you have further questions about Jefferson School's safety plan, please call the office at 209-835-3053.

Sincerely,
Alyssa Wooten, Principal

Why Support The Carnival?

The Monticello & Jefferson Annual Carnival is our biggest fundraiser of the year. All proceeds from the Carnival directly benefit and support your child's education. **Our October 2017 Carnival raised a net of \$29,701.** Of that, **\$5,320** in teacher basket money proceeds went directly back to our teachers in early November to be used for classroom needs. The MJFPA then worked together with Monticello and Jefferson schools to find out how we could use the rest of these funds to support the education of our students, which is our primary goal. We granted "Wish List" items requested by teachers and staff, which helped pay for educational programs, field trips, supplies, equipment, books, and much more. **In February of 2018 alone, the MJFPA donated a total of \$12,541 to Monticello and Jefferson schools in "Wish List" items. The remaining \$11, 840 of carnival funds were donated during the rest of 2018 as listed below.**

February 2018

Monticello received \$5,315 for field trip funding, library supplies, books, physical fitness curriculum, student incentives and classroom supplies among other "wish list" items for classroom use.

Jefferson received \$7,226 in school enhancements, STEAM kits, science materials, physical education equipment, library supplies, student incentives and other "wish list" items requested by teachers and staff.

March -May 2018

Jefferson received an additional \$6,000 for 6th grade science camp, **Monticello received another \$1,739** for Scholastic subscriptions, and the remaining of carnival funds were granted through requisitions from both schools for other field trips and teacher requests.

This is only possible with sponsors, donations to your classroom baskets, and volunteers who help make the carnival a great success. We hope that with your support, we are able to continue this for our kids.

You're making a difference!
