Dear Jefferson Families,

This past weekend we hosted our first Oral Interpretation Fair. Our students did an amazing job expressing and sharing literature with the audience. Thank you for coming out to support our event and encourage our students to take risks and try new things.

We currently have two fundraisers in progress at Jefferson School:

Kiss A Pig: Fill up your teacher's piggy bank! The teacher that has the most money in their piggy bank will have to kiss a pig... yes, a real pig! The contest runs through the end of February and all money goes directly back to our classrooms and students. Come to our school office and empty your pockets into the piggy bank of your choice.

Box Tops: February will mark our final Box Top collection drive for this school year. We have already raised over \$1900 this year!! Monticello and Jefferson School have earned the #1 spot in the area and #10 in the state for our Box Top submission. This is absolutely amazing! Please send in as many Box Tops as you can between now and the end of February. The money comes directly back to our school and many of the products you have in your homes have Box Tops on them. We appreciate your continued support!

The second trimester is quickly coming to an end; Friday, February 24th is the last day. Please continue to check Aeries periodically and your child's planner every night to ensure they are staying on track through the end of the trimester. Thank you for your continued support, communication, and taking the time to read the Jefferson newsletter. Feel free to contact me at any time at awooten@sjcoe.net or (209) 835-3053 with any questions, comments, or suggestions.

Dear Jefferson School District Parents, Guardians and Community Members:

Three years ago the State of California overhauled the way schools were financed by implementing the Local Control Funding Formula. This new system is designed to provide more local control over spending to help all students achieve high standards, provide schools with exceptional climates, and involve parents and the community as active participants in student learning. Districts were required to develop Local Control Accountability Plans (LCAP) and update them annually utilizing community input.

As part of our district's continuing effort to acquire community input on the LCAP, Jefferson School District will hold a community forum to provide an annual update of progress and seek feedback to incorporate into the plan. At the forum you will have the opportunity to provide input on conditions of learning, student achievement, and student/parent engagement. Over the past few years, Jefferson School District has implemented a number of efforts to address these areas, but we know more work needs to be done.

The forum will be at Anthony Traina School on February 15, 2017 from 6:00 – 7:00 pm in the multi-purpose room.

If you have any questions, please contact Celli Coeville at ccoeville@sicoe.net or 209-836-3388.

Sincerely,

James W. Bridges, Ed.D.
Superintendent
