Principal's Message

Hello Jefferson Families

We have had a wonderful start of the new school year. The positive energy that is on this campus is like none other, and it is also very contagious. I wanted to introduce myself and let you know that I am delighted and feel honored to serve as your principal for the 2013-2014 school year.

I have been in the field of education for more than 15 years. I taught 5th grade and leadership at a 5th-8th grade middle school. I was the Director of After-School and Summer programs for the Byron School District. I was a high school assistant Principal for 7 years at both College Park High School and Cal High School. I decided to come back to my elementary and middle school roots as the Vice-Principal at Wicklund Elementary School in the Lammersville School District. I hold a master's degree in Curriculum and Instruction. I am currently pursuing my doctorate in Educational Leadership at UOP.

I am proud to be an Army wife to my husband Paul who is a Captain in the US Army Reserves. We have 2 beautiful children, Madeline, 5 and Claire 3. We also have 2 dogs, Shantee and Lacey, and 7 chickens!

I truly look forward to serving you and your children this year. Please feel free to contact me at jtilton@sjcoe.net if you have any concerns or issues or just want to say hello! Have a wonderful school year!
