A note from the Principal ~

Dear Jefferson Families,

Congratulations to all of our 7th & 8th grade students for working so hard and completing CAASPP testing. Thank you parents for getting your children to school on time and prepared for the day!! The 5th & 6th grade students will be testing this week and next. Students will need headphones or earbuds for the assessment. Please send your child with a pair if possible.

Our Family Science Night was a blast. Science Night included events such as the Star Lab, Aerodynamics, Invincible Balloons, Barge Building and much more. Thank you to all of the students who helped out and to the families that supported this event. Our Robotics Class especially enjoyed showing off their robots and many were quite impressed.

Next week our band is heading to Disneyland to march at Disney's California Adventure Park. Ms. Gieseke, Jefferson Band and Color Guard have been putting in many hours practicing for this event and we can't wait to go!

Our Monticello-Jefferson Annual Carnival is just around the corner. This exciting family event is taking place at Monticello School on Friday, May 13th from 3:00 – 7:30pm. The carnival event greatly benefits Jefferson School. The funds go directly to programs such as Science Camp, 8th Grade Graduation Activities, PE equipment, elective programs, etc. We are asking for parents to reach out to MJPPFA at alexis.imperial@gmail.com and donate 1 hour of time for the carnival. Your support greatly impacts the education of our students and allows us to continue a longstanding Jefferson School tradition.

We thank you for your continued support! Please do not hesitate to contact me with any questions or comments.
