Good Evening Amazing Jefferson Families,

I am excited to share some news about a program we have implemented at Jefferson centered around Kindness. Last month we kicked off our “Jefferson School Kindness Wall” where students and staff can send uplifting messages to each other. It was a huge success and we currently have 100+ messages that are posted on our website and now on our new TV monitors in the office and cafeteria! These messages have been an amazing way for our staff and students to show their love and care for each other.

I hope you get a chance to check out the messages on our website and now you have the opportunity to submit your own! Click [HERE](#) for our personal Jefferson Kindness page where you can see the messages and submit one of your own for your child or a staff member!

I am really excited about this program and spreading Kindness throughout Jefferson campus and our school community, especially with The Great Kindness Challenge kicking off next week. We are working hard at creating a “culture of kindness” at Jefferson and hope you can help us. Click [HERE](#) for more information about The Great Kindness Challenge and send out those uplifting messages!

Have a great weekend everyone.

In Kindness,

Jason Strickland
Principal

Attendance

Every Day Counts

Chronic absenteeism is a serious problem on our campus. Many students are absent or tardy on a regular basis and this has a huge impact on their learning. We want you to join us in making school attendance a high priority for your family. Remember, school is your child's first and most important job. Please support them by getting them here on time and scheduling appointments and vacations outside the school day.
