Our Science Campers had an amazing time and soaked up the beautiful scenery and weather at Jones Gulch, near Half Moon Bay. On Wednesday, I was able to visit with the group while at the beach. Not only did we see hermit crabs, sea stars, and sea anemones, but one student even spotted a small octopus about the size of a golf ball. So cool!!

Our Monticello Jefferson Carnival is next Friday, October 25th from 3:00 - 7:30 at Monticello School. Grade levels are collecting items for donation baskets and we need your support by bringing in items.

5th – Gift Card Tree

7th – Sports/Warrior Fan

6th – Restaurant gift cards & Lottery Tickets

8th – Movie Night & 49er fans

Jefferson School will be offering a bus for students to take from Jefferson to Monticello School on the afternoon of the Carnival. Students will be able to sign up in the office for a seat on the bus. It will be on a first come first serve basis and students will need to be picked up from the carnival.

Reminder... there is no school for students on Monday, October 21. Again, we truly appreciate your continued support. Please read the Jefferson Times on a weekly basis and visit our website at <https://www.jeffersonschooldistrict.com/jefferson>.

Sincerely,

Alyssa Wooten, Principal
