A note from the principal. . .

Hello Jefferson Families!

Brrrr! It's awfully cold and wet these days! Remind your child to wear a jacket! We do have some puddles on campus so remind your child to wear weather appropriate shoes.

For morning drop-off, please remember that all students must enter through the back gate on Glenbriar Drive.

Our winter concert is on Wednesday. Come out and enjoy some entertainment from the fabulous Jefferson bands.

8th grade registration packets went home on Friday for Tracy High. These packets need to be returned by Wednesday afternoon!

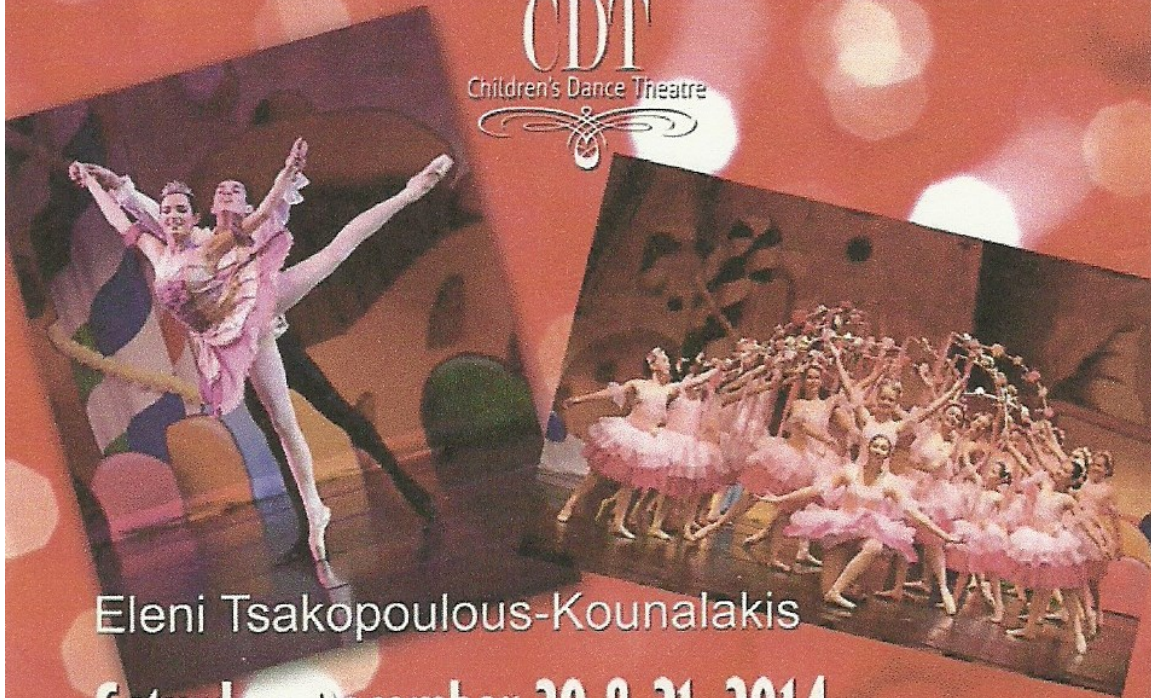

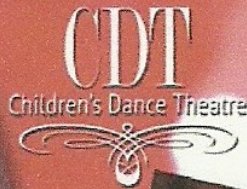

If you don't have Aeries access, please contact the school office to get your login information. This is a great way to keep track of your student's academic progress.

Have a great week! Please don't hesitate to contact me if you have any questions or comments.

LCAP Advisory Committee – Application
Jefferson School District

The Local Control Accountability Plan (LCAP) is a critical part of the new Local Control Funding Formula (LCFF). Each school district must engage parents, staff, and the community to establish these plans. The plans describe the school district’s overall vision for students, annual goals and specific actions the district will take to achieve the vision and goals. The plans will also demonstrate how the district’s budget will help achieve the goals, and assess each year how well the strategies in the plan were able to improve outcomes.

The LCAP Advisory Committee provides guidance and advice to the Board of Education and district office staff regarding Jefferson School District’s progress toward meeting the goals outlined in the current LCAP and updating next year’s plan.
