

Jefferson School District Citizens Oversight Committee – Measure J Application for Appointment

Overview of the Citizens Oversight Committee

In June 2006, the voters of the State of California authorized an amendment to the California Constitution (Proposition 39) lowering the voter approval requirement from two-thirds to fifty-five percent for school districts that:

- 1) Provide voters a specific list of projects
- 2) Appoint a committee of citizens to oversee the expenditure of funds and an annual performance audit and financial audit of the bond funds and bond projects.

Proposition 39 provides that the Citizens Oversight shall have at least seven members who shall serve up to two terms of two years each. Initially, three members will be appointed to one-year terms and four members will be appointed two-year terms. All appointees, regardless of the original term of appointment, are limited to a second term not to exceed two years.

Purpose

Because the district elected to pursue a bond election under the provisions of Proposition 39, State law requires the district establish a Citizens Oversight Committee appointed by the district's Governing Board. The committee purposes are:

- To actively monitor all projects and expenditures approved by the voters.
- To provide proper oversight and accountability to ensure that Measure J funds are used as they were intended.
- To report to members of the community on the progress of Measure J projects.

Duties

Duties of the committee will include:

- Ensure bond funds are spent only on projects listed in the bond project list and that no funds are used for salaries or general operating expenses.
- Monitor progress of bond projects.
- Receive and review copies of the annual performance and financial audits of bond projects as required by California State law (Proposition 39).
- Provide information to the public on the progress of bond projects and expenditures of bond funds.
