5. UPDATE ON MEASURE J PROJECTS AND TIMELINE – Only two main active projects are outstanding currently. The projects are sound baffling at both Jefferson School and Anthony Traina School gymnasiums, which will cost roughly \$50,000 each. We have an architect who is working on obtaining approval from the state. The sound baffling will help the acoustics in the gymnasium.

Dr. Bridges is working with PJHM architects to redesign Tom Hawkins School's front office so there is a single point of entry. Monticello School's entryway is being redesigned as well. These are projects that are coming in the near future.
