

**Jefferson School District's 2015-2016  
List of Contracted Supplemental Educational Services Providers**

Parents of eligible students who attend Traina Elementary School should choose a tutoring provider from this list. If you questions regarding a specific provider's services, please contact the provider directly. Phone numbers and emails are provided below. Provider pamphlets are also available in the Traina School front office and on our Jefferson School District website. <http://www.jeffersonschooldistrict.com/domain/337>

Submission of the parent request form does not guarantee enrollment into the program. If more students enroll than there are funds for, we are required to accept the most financially disadvantaged; then the most academically disadvantaged as determined by State Test Scores; and then the highest grade levels eligible.
