Parent Advisory Committee (LCAP PAC) – Application Jefferson School District

The Local Control Accountability Plan (LCAP) is a critical part of the Local Control Funding Formula (LCFF). Each school district must engage parents, staff, and the community to establish their LCAP. The plan describes the school district’s overall vision for students, annual goals and specific actions the district will take to achieve its mission. The plan will also demonstrate how the district’s budget will support the actions and services, and assess each year how well the strategies in the plan led to improved outcomes.

The Parent Advisory Committee provides guidance and advice to the Board of Education and district office staff regarding Jefferson School District’s progress toward meeting the goals outlined in the current LCAP and updating next year’s plan.
