Team discusses what is going well and areas for growth. Team discusses that El students' data shows more missing work than non recognized El students. Team asks for parent input.

There are a lot of questions that are unanswered for the families – ie: Access to Aeries, look at Google Classroom. Parent is reluctant to reach out due to language barrier. A suggestion is to send a letter home explaining we will continually meet as an El group every other week. Parent will reach out to other parents to provide the Zoom link and letter to families with El students.
