ELAC Bylaws

Article I: The Purpose of ELAC

The purpose of ELAC is to provide all parents of English Learners a forum to become actively involved in their child's education. ELAC provides opportunities for parents to formulate and make recommendations:

- To develop the school's plan on programs and services for English Learners (makes recommendations but does not have approval authority)
- To assist in the development of the school's needs assessment
- To make parents aware of the importance of regular school attendance

Article II: ELAC Membership

The ELAC parent membership is open to all interested parents.

At least 51% of the voting members must be parents of English Learners at the school. Parents of R-FEP students are considered parents of English Learners for the four years that the R-FEP students are monitored.

It is not mandatory that school personnel be part of the ELAC; however, school personnel will most likely serve as the interpreter during the meetings.

Elections

All parents of English Learners have the opportunity to participate in the election of the ELAC officers. The election must be a public meeting and nominations should also be made public.

Term of Office

Officers may serve for two (2) years. ELAC may decide the length of the term of office. Vacancies must be filled.

Article III: Officer Duties

The idea that receives the most votes prevails. Members who voted for a different opinion now accept the decision of the majority. Acceptance of the majority decision represents the spirit of democracy.
