Homework Policy

Homework is designed to accomplish the following:

1. It will provide practice and application of the principles discovered in the classroom.
2. It will stimulate initiative, responsibility, and self-direction.

Homework carries with it 3 important areas of responsibility:

Teacher's responsibility:

1. The teacher shall make the homework meaningful.
2. The teacher shall allow the student to use his/her initiative in completing the assignment.
3. The teacher shall assign work that will help the student learn to use his/her time effectively.

Parent's responsibility:

1. The parents shall provide a suitable place for the student to work.
2. The parents shall help direct the student's working habits.
3. The parents shall show interest in the student's work.

Student's responsibility:

1. The student shall understand and record his/her assignments before leaving class.
2. The student shall follow a schedule and budget his/her working time.
3. The student shall try his/her hardest on ALL assignments.
4. The student shall hand in work neatly and on time.
