THEN start a passport entry (title, author, date started).** When you finish a book, finish the passport entry which includes filling out the rest of the information, writing a summary of the beginning, middle, and end on a 3" x 5" index card, and taping it to the right of the passport page. Summaries must be written NEATLY in pencil and fill the entire (front only) lined side of the index card. Please ask Mrs. Hillstead if you have any questions.
