

MJPFA

Monticello
Jefferson 

Our mission is to foster positive relationships between parents, students, teachers and staff, while enhancing the educational experience of all our children.

The Monticello Jefferson Parent Faculty Association (MJPFA) is a volunteer organization made up of parents, teachers, and the entire school community. Through parent involvement and volunteerism, we aim to give our teachers the support and resources they need to help our children succeed and to build an engaged, inspired family community. We invite the entire Monticello-Jefferson school community to join the MJPFA and become actively involved in the education of all our children.

Our goal is to offer school fundraisers that are fun and enjoyable for our students and families; events that allow our children to make great memories with friends and teachers while getting the best educational experience possible.

The Monticello Jefferson Parent Faculty Association (MJPFA) is seeking 100% parent membership! The MJPFA supports education to our children by providing resources to Monticello and Jefferson Schools. Funds raised support field trips, in-house educational programs, science camp, art & dance instruction, student rewards, classroom supplies and so much more! The MJPFA strives to provide family fun events as our means of fundraising, organizing events such as the annual Monticello-Jefferson School Carnival, Family Fun Nights and Super Fund Run, just to name a few.

There are many ways that you can help, both big and small. We understand that it is difficult for some parents to attend monthly meetings, let alone volunteer on a regular basis. We encourage you to choose how you want to be involved, even if it is just receiving emails about upcoming events. There is **no cost** to join and all efforts will benefit your child and all the students at Monticello and Jefferson Schools. Please fill out the membership form below and return to your child's teacher. We need all families to get involved to provide the best education for our children. Together we **can** make a difference!
