

Dear Jefferson Families,

I am thrilled to share some exciting news with you all: Jefferson School has been recognized as a 2024 California Distinguished School!

This prestigious honor is a testament to the hard work, dedication, and collaborative spirit of our students, teachers, staff, and families. It reflects our commitment to academic excellence, innovative teaching practices, and creating a supportive environment where every student can thrive.

Being named a California Distinguished School is not just an accolade; it is a celebration of our shared values and commitment to providing the best possible education for our students. It is a recognition of the efforts of our entire school community in fostering a culture of learning, growth, and achievement.

As we celebrate this accomplishment, let us take a moment to acknowledge and thank everyone who has contributed to making Jefferson School the outstanding institution it is today. Whether you are a student, parent, teacher, staff member, or community partner, your dedication and support have played a vital role in this achievement.

This recognition serves as both a validation of our past successes as this is the 5th time Jefferson School has been recognized as a California Distinguished School (1989, 2009, 2013, 2019, and 2024). It also serves as an inspiration for all of our future endeavors. Let us continue to work together to uphold the high standards of excellence that have earned us this honor and to ensure that every student who walks through our doors has the opportunity to reach their full potential

Once again, congratulations to our entire school community on this remarkable achievement! Together, we have shown what is possible when we unite behind a common purpose and commit ourselves to excellence in education.
